

A Word on “Pigeon Drops”

Recently, a Woodlawn resident was a victim of a “Pigeon Drop” here in Evendale. In short, she was approached by an African-American female who showed her what appeared to be a large amount of money that for various reasons she couldn’t deposit and in “good faith” would share with the victim. In the course of the scam, the victim removed almost \$7,000 from her bank. Another person, an older African-American man, was involved in the scam. Recent reports from surrounding agencies reveal that another female may be an accomplice. The suspects almost always approach older victims and show them what the victims believe is a large amount of money (it isn’t) and they relate a story to secure the victims assistance.
