There is no doubt in my mind that 2008 will prove to be a milestone year for Evendale Adult Services. Our membership is at 190 to date and the Adult Gathering Room is buzzing with activity. Numerous adults make the Gathering Room a regular stop after their fitness routine. A cup of coffee by the warm fire, a quick glance at the daily news, the soothing sounds of music and the familiar conversation of friends and neighbors make for a very inviting environment.

Efforts are being made by everyone to help maintain the area by pushing in chairs, cleaning up spills and returning furniture to it's original position after use. Even though Ron Johnson and I make frequent attempts to sanitize the tables, it would help if everyone would refrain from setting their gym bags, shoes and wet towels on the tables.

Please feel free to turn off the burner of the coffee pot that is less than a cup full. Nothing discourages the use of the room more than the aroma of burnt coffee!

Our lending library continues to serve as a valued asset for the avid readers. Several people are taking a little time out of their day to cozy up by the fireplace and peruse a book.. The game room is seeing more activity and the card players manage to gather more frequently.
