A brand new year ahead of us and I already have my calendar bulging with activities and possibilities. From *Meet & Greet* to our smaller special interest groups, Adult Services should provide something for everyone. As a branch of the Evendale Recreation Department, we strive to coordinate activities to compliment each other. Assisting us in this pursuit is our own Stiney Vonderhaar, serving as Council Representative to the Recreation Commission.

Travel will take on a new face as we will attempt to meet the time, economic and interests preferences of more members. Look for shorter trips and added day trips. Along with the New York trip set for June, we have a Lancaster, PA excursion and a Christmas *Get-Away* still in the planning stages. It is my desire to get more small groups utilizing the Adult Gathering room on a regular bases. Cards, darts pool and discussion groups would provide awesome fellowship. And finally ... What do you think about Wii (pronounced WE) A plethora of fun!!
