Did you and your team have fun this season?

Did you have adequate knowledge and assistance to coach your team? Is there anything the department can do to help?

What do you think about starting a "Coach of the Year" or "Basketball Coach of the Year", etc.?

Evendale is fortunate to have many great coaches per season...how best do you see fit in evaluating or choosing the coach? League Administrator, Parents, other coaches???

Will you coach again?

How was your field? Was it hard to play on? or Was there anything you didn't like about your gym?

What else do you have to say???
