

March 2008

The Master Plan Committee is finalizing their work. The draft Master Plan will be sent on to the Planning Commission for review and recommendation to Village Council. Council will consider the Master Plan for adoption in the near future. This is an important planning tool for the Village. If you have questions or would like to see a copy of the draft plan please contact Jack Cameron at 563-2244 or plan on attending a Planning Commission or Council meeting where it will be discussed. Your input is encouraged and welcomed.

The former Travelodge Hotel is down! The Village is considering options for the site and any future plans for are not known at this time.

The Cultural Arts Center at the corner of Reading Road and Glendale Milford Road will be holding an open house on April 4<sup>th</sup> and 5<sup>th</sup>. Please check the insert in this newsletter for more information.

I would like to thank the Service Department personnel for their hard work over the last few months helping to get the old Civic Center building ready for its new life as a Cultural Arts Center. Please make a point of attending the Open House and see what great work they have done.

Fire Chief John Vail is going to be retiring this April after 34 years of service to the Village and the Evendale Fire Department. John Vail became Chief in 1993 and has done an outstanding job for our residents and businesses. Evendale's Fire Department is held in high regard in the county and business community. Please help us congratulate him and thank him for his years of dedicated service to the Village.

For a better and better Evendale.  
Your Mayor,  
Don Apking
