

# VILLAGE OF EVENDALE

JULY, 2016

Dear Neighbors and Friends:

Some people go to the Cincinnati Zoo or Krohn's Conservatory to see their flower displays, while others go to Kings Island or the Cincinnati Nature Center for their arrangements. May I suggest that you simply take a look around the gardens right here in the Village?

Our flower plantings are truly wonderful. Throughout the Municipal grounds, at the entrances into the Village and indeed along Reading Road, where our planters are most prominently featured, you will find beautiful gardens. They are the work of the Jeffery Allen Corporation; more specifically of Emily Stitsinger and her assistant Alex Withrow. They design the flower beds, order the flowers, and place every plant. Emily has been working on the Village's gardens for seven years and Alex joined her team three years ago.

Emily and Alex enjoy it when someone takes a moment to stop and talk to them about a certain plant or the gardens. They are knowledgeable and take great pride in making Evendale look its best. They deserve our gratitude for their hard work and dedication.

I wanted to mention that the Dan Beard Council is partnering with Hoxworth Blood Center to conduct a blood drive on Wednesday, August 3<sup>rd</sup> 12:00pm – 6:00pm at their center on Reading Road. Each blood donor will receive a patch. To schedule an appointment, please visit [www.hoxworth.org/groups/danbeard](http://www.hoxworth.org/groups/danbeard) or call Hoxworth at 513-451-0910.

Sincerely,

Your Mayor

Mayor Finan  
has open office hours

## Getting to Know Your Neighbors

Carolyn has resided in Evendale for almost 32 years. She lives in the Cooper Creek subdivision on Otterbein Road. She is married to Tommie L. Robertson, her husband of 32+ years, and they have raised two sons here. She is serving her ninth year on Council, having previously been elected to two terms before being appointed last September to fill a vacancy.

In addition to being a Council Member, Carolyn is the Treasurer (CFO) of Mt. Zion Missionary Baptist Church in Glendale, Ohio. Besides being Church Treasurer, she sings in the Inspirational and Mass Choirs and is a member of the Christian Education and Family Life Ministries. She also bowls in the Mt. Zion Bowling League with her sons, Kevin and Michael, on a team named (what else) Family Matters.

Carolyn strongly believes in being involved in the community. She possesses an extensive management background acquired during her 24 years at AT&T. Carolyn enjoys leadership opportunities and has previously been Vice Mayor and President of Council, as well as having served as Vice Chairman of the Recreation Commission prior to being elected to Council. She is also a Cincinnati Youth Collaborative Mentor for fourth grade girls at Winton Hills Academy. She attributes her involvement to the excellent example that her parents set for her and her siblings. Carolyn looks forward to continuing to use her talents toward ensuring that Evendale thrives as a great place to live, work, and enjoy life.

## FIRE DEPARTMENT

### Top 10 Fireworks Safety Tips:

1. **Obey local laws.** In Ohio unless it's a novelty that fits into one of the four S's (sparklers, snakes, snaps or smoke bombs) it's ill to set off. That means firecrackers, roman candles, bottle rockets and the more heavy-duty shells are not permitted.
2. **Use fireworks outdoors only.** Never carry fireworks in a pocket or shoot them off in metal or glass containers. Never point or throw fireworks at another person.
3. **Always have an adult supervise fireworks activities.** Never allow young children to play with or ignite fireworks including sparklers. Only persons over the age of 12 should be allowed to handle sparklers of any type.
4. **Avoid buying fireworks packaged in brown paper.** This is often a sign that the fireworks were made for professional displays and that they could pose a danger to consumers.
5. **Be careful when lighting the fuse.** Never place any part of your body directly over a fireworks device when lighting the fuse. Light fireworks one at a time, then quickly back up to a safe distance.
6. **Never relight a "dud" firework.** Wait 20 minutes and then soak it in a bucket of water.
7. **Only use fireworks as intended.** Don't try to alter them or combine them.
8. **Keep a bucket of water or a garden hose handy in case of fire or other mishap.** After fireworks complete their burning, douse the spent device with plenty of water before discarding it to prevent a trash fire.
9. **Use common sense.** Spectators should keep a safe distance from the shooter and the shooter should wear safety glasses.
10. **Alcohol and fireworks do not mix.** Have a "designated shooter".

## POLICE DEPARTMENT

**Good Morning Evendale** has been established by the Village's police, fire and recreation departments to provide a daily well-check phone call to senior residents.

This program will assist residents in maintaining their independence while also giving piece of mind to relatives and friends.

Each morning a Village employee will make a phone call to the resident between 9:00am – 9:30am. The caller will say, "Good Morning Evendale", followed with an introduction. The caller will ask if all is well. If a phone call is not answered or there is a problem, the caller will go to the notification list and attempt to reach the primary and/or secondary contacts. If the contacts can't be reached, a member of the police or fire department will be sent to the resident's home to check on their well-being.

This is a voluntary program. The Village's goal is to provide a piece of mind for the resident and their loved ones. Should assistance be needed we will be there for them. If you have any questions about this program please contact Firefighter Steve Hamm (513.563.2248) or Police Lieutenant Jeff McDaniel (513.563.2249).

## ADMINISTRATION DEPARTMENT

The Village of Evendale has contracted with **CallMultiplier** to provide emergency notifications to residents and businesses of Evendale. The CallMultiplier system delivers notifications via your regular

phone line and/or your mobile phone. The Village will activate alerts for emergency incidents and other events that affect the residents **and** businesses of Evendale.

In order to receive these notifications you can mail or drop off the completed CallMultiplier form to the Evendale Fire Department. The form can be found on the Village website. The forms also available at the Fire, Recreation and Administration offices. Your participation in this notification system is voluntary. This database is held by CallMultiplier Notification and its security is guaranteed by CallMultiplier Notification.

**Disclaimer:** Please be aware that while we believe the CallMultiplier Notification system is an excellent tool to serve the needs of the Village and our residents, it is not infallible. Everyone should use common sense and pay attention to weather sirens and weather reports. The Village of Evendale is not liable if the CallMultiplier Notification fails or is not activated in times of emergency.
