

February 2015

Dear Neighbors and Friends:

St. Rita School for the Deaf is celebrating their 100 Year Anniversary this year. The school will be commemorating this milestone with a year-long celebration. I would encourage everyone to check out their website, www.srsdeaf.org/100.aspx, to learn about the various events and activities they have planned. This website also shares the history and a timeline of this historical institution. You might be surprised to learn how long they have been serving their renowned turtle soup. Please join me in congratulating St. Rita's for their outstanding history of service to numerous students, their families and our community.

If you haven't already renewed your Recreation Center membership, you may find that your card has been deactivated. To renew your membership stop by the front desk at the Recreation Center Monday through Friday 9:00 am to 9:00 pm and the staff will gladly help you. If you are new to Evendale and want to become a member of the Recreation Center, you must first register with our Tax Department, before signing up at the Recreation Center. The Tax Department is located in the Municipal Building. Their hours are 7:30 am to 3:30 pm.

If you travel on Glendale-Milford Road between 4:00 pm and 6:00 pm during the week you may have found yourself sitting in traffic. The Village is investigating the possibility of installing a right turn lane on east bound Glendale-Milford at the corner of Plainfield Road. We feel that this will help traffic move quicker through that intersection. As with any project of this type, there are a number of items that will need to be worked out before we can begin this project. More information will be communicated to residents once the project scope, scale and design are conceptualized.

For a better and better Evendale...

Your Mayor,
Don Apking
