

**January 2014**

Dear Neighbors and Friends,

To begin, I would like to thank everyone who donated to the Toys for Tots campaign and the Freestore Food Bank at the Holiday Lite-Up this year. Over 200 toys were collected for the Toys for Tots and \$351.63 for the Freestore Food Bank. It is gratifying to live in such a generous community.

Don't forget to renew your Recreation Center membership in January. Keep in mind, if you are buying a membership for the first time, you must register at the Tax Office in the Administration Building before purchasing your membership at the Recreation Center front desk. There is no time like the present to commit to a healthy lifestyle and our Fitness Center and Pool in the summer are hard to beat.

I wanted to take a moment and encourage you to 'shop Evendale'. This go local theme happens every year nationally and I wanted to push you to do it in your own backyard. If you have not taken the time to fully explore our local retailers make a point of doing that this year. Along with our big box retailers we have a lot of smaller retail stores and neighborhood size stores. These stores are investing in the Village and I want to encourage you to patronize them and make an impact when you go shopping.

The Evendale Community Improvement Corporation will complete a 4 month process in January to decide on future development of Village land banked properties. It is my expectation that I will be able to share more details with you in future months but this is very exciting work and will benefit the Village for many years.

Happy New Year! For a better and better Evendale...

Mayor,  
Don Apking
