

June 2013

Dear Neighbors and Friends,

If you are looking for things to do this summer, look no further than our Recreation Center. Our staff has developed a wide range of classes, sports teams and activities for all ages. The pool is open and swim team practice has started, the Fun in the Sun programs fill the Recreation Center with kids every day, Gorman Farm Summer Camps have started, and various Kids Art Classes are being offered at the Cultural Arts Center. Check out the back page of the newsletter for the Summer Concert schedule. And remember the July 4th celebration is a wonderful way to spend the entire day with neighbors and friends.

The Village will be assessing the health of the trees along the roads. We may be removing any dead or diseased trees located in the right-of-way, which is approximately 10 feet from the edge of the curb. If you have any questions, you can call Jim Bothe, 563-4338 or myself at 733-5480.

The Village strives to create a positive impression to visitors; most recently through improvements to our landscaping, street lights and new traffic signals. As residents you can do your part by waiting to put your trash cans out until dusk the evening before trash pickup day and storing your cans out of site, either inside the garage or screened from the street. We all play a part in showing off our incredible community by following a few simple guidelines.

We are still accepting letters of interest to fill two empty seats on Planning Commission. This is an excellent opportunity to help shape the future of Evendale through the implementation of the Village's Master Plan and Zoning Code and reviewing all commercial developments. Direct any questions to Jack Cameron at 563-2244 or jack.cameron@evendaleohio.org. If interested, send letter of intent and current resume to Jack Cameron.

The cleanup day for Griffin Nature Preserve is Saturday, June 22, 9:00 am - 12:00 noon.

For a better and Better Evendale...

Your Mayor,
Don Apking
