

June 2014

Dear Neighbors and Friends:

I see more and more people riding their bikes...not only the children, but also adults. If you are a motorist, please beware of the cyclists around you and give them plenty of room. If you are a cyclist, please respect the rules of the road. Safety for everyone on the road is our top priority. Speaking of safety, if you need a bike helmet, our Fire Department sells bike helmets for both children and adults. The cost is only \$7.00 and can be purchased by stopping by the Fire Department during regular business hours.

I've always believed that one of our Village's greatest assets is our resident's desire to get involved in the community. It ranges from coaching a sports team, to teaching a class at the Cultural Arts Center, to volunteering at GHF, to attending the many functions and classes at the Recreation Center. The opportunities to get involved are numerous. Another way to get involved is serving on committees that help shape policies in Evendale. We currently have an opening on the Board of Zoning Appeals. This committee is responsible for considering variance requests from our Zoning Code which could be from a business or resident. Typically they have about four evening meetings a year. Please contact Pam Morin at pam.morin@evendaleohio.org or 563-2244 for more information or if you are interested in serving Evendale in this capacity.

Back by popular demand, our own Grace Rohs is going to coordinate a blood drive again with Hoxworth at the Recreation Center. Please make note that this will be the second week in August but a final date has not been chosen. If you would like to be part of the Evendale blood drive please do not give at least 56 days prior and 112 days if you would like to be considered for double red blood cells. More information can be found at their website http://www.hoxworth.org/donate_blood/eligibility.html or by calling Hoxworth at 558-1304. We had a great turn out last year and let's do it again this year!

For a better and better Evendale...

Your Mayor,

Don Apking

As summer approaches there are many opportunities for your family at Gorman Heritage Farm. The GHF Summer Camp still has a few openings for children ages 5 – 12. The Market Garden CSA (Community Supported Agriculture) has a few shares left for purchase so your family can enjoy farm fresh produce until the end of the growing season. The Farm's Cutting Garden is starting to bloom and beautiful flowers are waiting for supporters to cut and enjoy. Other summer programs and events offered to the public include weekly yoga, honey extraction, a mobile kitchen, the Green Market (Aug. 3rd) and the Row x Row Farm Dinner (Sept. 6th). New this fall will be a 5 K Sunflower Trail Run planned for Sept. 27th. For complete details of all programs and events check the GHF website. As always Evendale residents have free admission to the Farm.
