

June 2015

Dear Neighbors and Friends:

One of my favorite summer traditions will be celebrating its 50th anniversary this year...the Evendale's Annual Firehouse Chili Lunch. The Evendale Chamber of Commerce and the Fire Department will again be serving up chili at the Firehouse on Wednesday, June 10th, from 11:00 am to 1:00 pm. Tickets are still \$5.00 and can be purchased in advance at the Recreation Center, or by calling 252-9646. Carry out is also available. You are encouraged to call 563-2248 if your carry out order is more than ten.

In November, our residents will be electing a new Mayor and three Council Members. According to our Charter, if a current Council Member decides to run for Mayor, they are required to resign their seat on Council. Council will then select someone to fill the remaining unexpired term. If you have ever considered running for office, I would welcome the opportunity to talk to you about the time commitment, responsibilities, and any other questions you may have. Please call 563-2244 if you would like to set up an appointment.

In a follow-up to last month's newsletter piece on the newly installed Lightning Prediction System, I would like to remind residents that if you are on the Village grounds and hear a long, 15-second air horn blast, please take immediate shelter in a building or car. This warning system detects possible lightning strikes within our area. More detailed information about this system can be found on the front page of our website under "General News". Another reminder is that home weather radios are available for purchase at our Fire Department at a cost of \$20.00.

I am proud to announce that Evendale residents and businesses recycled over 300 tons of metal glass, plastic and paper in 2014. Your efforts conserved enough energy to power every home in Evendale for 14 days and saved 1,793 trees from being harvested. In addition, our annual Shred Day was tremendous success. Over 9,000 pounds of personal documents were shredded. Our community participation and pride is second to none.

For a better and better Evendale...

Your Mayor,
Don Apking

Gorman Heritage Farm – 10052 Reading Road
www.gormanfarm.org (513) 563-6663

The Farm welcomed a new Executive Director in April, Tricia Watts. She invites you to stop by and say hi. Her door is always open and she is looking forward to meeting all the neighbors. The Farm also welcomed two miniature horses this spring, Star and Sassy. They too love visitors! You can also see goats, sheep, rabbits, chickens, mules and miniature donkeys. We will have cows, turkey and pigs again soon. Gorman Farm's Educational Team is always learning better ways to help kids Build Healthy Futures. They recently attended the STEM Conference, hosted by the University of Cincinnati.

Spring is in full bloom at Gorman Heritage Farm! We invite you to come for a visit, walk along the newly improved trails and see the beautiful flowers in bloom. All Evendale residents get free admission to the Farm by showing your ID at the front desk of the Interpretive Center.

John and Marcia Long founded Safety Shoe Distributors in 1987 and selected Evendale for the company headquarters in 1991. Evendale is central to the tri-state as well as our regional territory which includes Ohio, Kentucky, Indiana, Illinois, and Western Pennsylvania. Our Evendale headquarters is home to our mobile units, and it also services and supports our regional Footworks store locations. If you happen to see trucks, similar to the one pictured above, you have seen the mobile aspect of our business. We are a family owned business, and we have been providing working men and woman with safety shoes and Carhartt work clothing for over 28 years. We strive to provide our customers with excellent customer service by insuring quality and comfort! We are known for accommodating our customers via our mobile units, and we are pleased to service the general public in all of our Footworks stores!
