

November 2014

Dear Neighbors and Friends:

Please make plans to attend the annual Evendale Town Meeting on Sunday, November 9th. The meeting begins at 5:00 pm with dinner served after a presentation from local officials about Village services and future plans. Please RSVP by calling the Recreation Center at 563-2247.

The Fire Department has set up collection boxes in the lobbies of the Fire Department and the Recreation Center for the annual Toys for Tots program. Toys for Tots collects new, unwrapped toys each year and distributes them as Christmas gifts to less fortunate children in nearby communities. Please drop off your donation by no later than December 5th. Thank you for your participation.

At the November Council Meeting, Council approved the purchase and installation of new LED street lamps and poles throughout the Village. This green initiative will reduce power consumption and ongoing maintenance costs. We are working with Duke Energy on determining an installation schedule. We will keep residents and businesses informed of the schedule, since some disruption of traffic may occur during this project. Information will be posted on our web site and in the newsletter.

Matthew Stroh is a resident and member of the Evendale Boy Scout Troop. For his Eagle Scout Project, Matthew is putting together 25 Emergency Winter/Severe Weather Kits for Senior Citizens who could use some extra help this winter. The kit includes a weather radio, small food/water supply, flashlight/batteries, first aid kit, and rock salt. The kits are free. You can contact Matthew at 563-2887 to get more information or to order your kit.

Please note that the Administration Office has changed their hours to 8:00 am – 4:00 pm. The Tax Office hours will stay the same, 7:30 am – 3:30 pm.

For a better and better Evendale...

Your mayor,

Don Apking
