Leisure Trail System

"Trails of Evendale"

The development of a leisure trail system in Evendale was a top recreational need based on the results of the 2002-2007 Five-Year Master Plan survey. There are a wide range of benefits associated with the establishment of a leisure trail system.

- ◆ Health and physical fitness
- ◆ Increases property values
- ◆ Promotes community enrichment and character
- ◆ Provides connectivity to neighborhoods and amenities
- ◆ Recreation for diverse users
- ◆ Environmental quality education opportunities
- ◆ Transportation alternative
- ◆ Connect with existing and proposed trails
