

# VILLAGE OF EVENDALE

APRIL, 2016

Dear Neighbors and Friends:

Spring is always an exciting time at Gorman Farm. Not only are the gardens starting to bloom, but there are baby chicks and piglets to see. Years ago, my wife, Joan, and I were visiting her family in her hometown of Coldwater, Ohio. Her grandfather very kindly took me to the County Fair where I had my first introduction to all types of farm animals. For a 24 year old "city boy", seeing all those animals up close was a wonderful and unforgettable experience. You are fortunate to have a similar opportunity to make those same types

of memories with your family right in your back yard. I hope you stop by the Farm to check out not only the baby animals, but also the many events and classes the Farm has to offer.

I enjoy meeting new residents and businesses that have chosen Evendale to be their home. I recently received an email from the owner of Linehaul Heavy Duty who bought a building on Evendale Drive. He was complimentary of the services Evendale offers and the employees he had met. He pointed out that a smaller and more efficient government was the major incentive that Evendale offered over the other locations he was considering.

I recently attended the annual meeting of the Hamilton Co. Board of Health Advisory Committee. The topic was the Zika virus that is spread through mosquito bites. The following are suggestions on ways to protect yourself and family from this disease: get rid of all standing water; clean out culverts and ditches where water may pool; add goldfish or an aerator to you landscaping ponds; use EPA approved repellants like Sawyer Fisherman's Formula Picaridin. Contact the Hamilton Co. Board of Health, 946-7800, if you want additional information.

Sincerely,

Your Mayor

Mayor Finan  
has open office  
hours on most:

Tuesdays  
9:00am - Noon

Thursdays  
9:00am - Noon

## Getting to Know Your Neighbors

I have been an Evendale resident since 1977, currently living on Sherbrooke Drive. My two sons, Nick (now in Milwaukee) and Jon (now in Columbus) enjoyed childhoods and teen years participating in the programs offered by the Evendale Recreation Department.

Chris Schaefer

Since 1983, I have been either an Evendale Councilmember or Village Solicitor in all but three years. I have served with four mayors and 20 different councilmembers. Together we grew Evendale into the Village you enjoy today. A few of the projects we were in are: Eight new residential subdivisions; a green belt running from Cooper Road to Glendale Milford Road to buffer the residential areas from the commercial areas; doubled the recreation facilities; the 1932 Evendale School became the Cultural Arts Center; the Fire Department added paramedic service; the Gorman Farm, the Griffin Park, and the forests south of Cooper Creek and along Mohler were preserved; and, the Medallion Drive Industrial Park, Evendale Commons, Evendale Technical Center, the Tri-Health Evendale Hospital were constructed.

The future of Evendale is both promising and challenging with the planned improvements to I-75, GE facility, and proposed office and industrial developments west of I-75.

## FIRE DEPARTMENT

Hamilton County Communications Center has upgraded the dispatching software to Computer Aided Dispatching (CAD). What this means to you is that when you dial 911, on certain occasions, not only will an Evendale Fire Department vehicle respond to your emergency, but the closest firehouse outside of the Village may also be dispatched. Evendale and other communities have signed a mutual aid agreement consenting to share resources with their neighboring communities. There will be no changes in the quality of service or care. This only means that we have a back-up plan in place if our engine and/or squad are already on a call. Don't hesitate to call the Fire Department, 563-2248, if you have any questions on this change.
