

VILLAGE OF EVENDALE

AUGUST, 2017

Dear Neighbors and Friends:

We continue to work on strategies to fight the pipeline going through Evendale. If the pipeline goes through Evendale as proposed, the entire north side of Glendale-Milford Road, from the municipal complex to Plainfield Road, will be affected. Recently we sent out surveys to all those residents, whose front yards will be dug up, asking them to document every tree in their front yard. We are receiving some great information from them. Our next step will be to take pictures of each property and match them with the surveys we receive. We have also enlisted the help of the Trossert family to give us information on the wildlife sanctuary they have created in the empty lots on Glendale-Milford Road. Finally, Dave Stark, one of our firemen, has flown the entire site with a drone taking pictures. This was a difficult task, but it may help.

The Residential Rental Property Registration Program was signed into law in February, 2017 and the time for compliance with the inspection phase has expired. Many rental owners have already registered and complied with the ordinance. We are off to a good start.

I hope you saw the article in the July 9th Enquirer about property values in Hamilton County. It shows that our residential property values are up 7% or greater. We do live in a fine community.

Sincerely,

Your Mayor

Getting to Know Your Neighbors

Steve Berke moved to the Village of Evendale in 1983, and soon after, his daughters Amy and Kara were born. It wasn't long before he was spending much of his time at the Evendale pool, which brought back special memories of his childhood years, swimming for Brentwood Swim Club. His girls joined the Evendale Eagles swim team in 1989 and he soon became the starter and co-president of the Parent Organization. Even after Kara graduated, Steve stayed involved, and within a few years, he eagerly introduced his

young children Ben and Olivia to the swim team. Away from the pool, Steve's love for soccer grew as well. He coached all four kids through their grade school years, refereed games and even played in adult pick-up games.

Steve and his wife, Leanne, live in Carpenters Creek with Ben (15) and Olivia (13), both students at Sycamore. Amy now works at P&G and lives in Blue Ash, Ohio, and Kara is a DVM in Manhattan, Kansas. Steve is the President of Cincinnati Sub Zero, a manufacturer of medical and industrial temperature-related products, located in Sharonville. Leanne taught fifth grade at Evendale Elementary for ten years, and she is now the program director at Operation Give Back in Blue Ash. Steve's mother, Eileen Berke, is also an Evendale resident, and is a long-standing supporter of summer swimming.

Steve's involvement with the Recreation Department started nearly 30 years ago, and the lasting friendships that he has made along the way are too numerous to count. While the faces have changed during his tenure, the involvement of the incredible Evendale families and the support of the Village are as strong as ever, and Steve is forever grateful for the chance to call Evendale "home."

Did you know...

With the resolve of Dave and Martha Carmody and the support of the Recreation Director at that time, Gene Martin, the Evendale swim team became a reality in 1980. It has taken many individuals who believed in that trio's original vision to continue the program and to develop it into such an integral part of the Evendale community. Gene Martin guided the team into the Northern Suburban Swim League, and it has remained in that league through today. Jim Jackson and Andy Utz were lifeguards at the Evendale pool at the time. They became our first coaches. We started out as the Evendale Eels, but quickly changed the name to Evendale Eagles.

The first team consisted of around 50 swimmers, about the same number of swimmers in our 6-and-Under group on this year's team. That year, the parents from the Springdale swim team came over and taught the Evendale parents how to run a swim meet. Parent involvement has always been crucial in making the Evendale Eagles a success. The Service Department made our first starting blocks, using house shingles on the top so the swimmers wouldn't slip. Ping pong paddles were converted into the 1st, 2nd, and 3rd place paddles. Remarkably, there have been only two official starters in the entire history of the swim team. Dave Carmody was the first starter using a bull horn and starter pistol. Since Dave's retirement, Steve Berke has been starting the races.

ADOPTED ORDINANCES & RESOLUTIONS

The following ordinances were adopted by Council at their Regular Council Meeting on July 11, 2017. The complete ordinance and support information are available at the Administration Office. If you would like to view this information or if you have any questions, please contact our Village Clerk, Barb Rohs, at 563.2244.

Ord. #17-52 - An ordinance **appointing Nancy Hagner as Recreation Program Supervisor** for the Village of Evendale and Declaring an emergency. Unanimously approved

Ord. #17-53 - An ordinance **authorizing the payment of amounts due upon certain contracts requiring certification of availability of funds** and declaring an emergency.

An emergency clause is frequently added to an ordinance in order to allow the ordinance or resolution to go into effect immediately upon adoption. Under Evendale's Charter the emergency provision must be separately voted on and approved by no less than 5 members of Council. It must include a reason for why it is necessary
