

VILLAGE OF EVENDALE

FEBRUARY, 2018

Dear Neighbors and Friends:

This month I am writing you about two old issues that are once again making waves. The first is the matter of the City of Cincinnati Firing Range that is located in the Village across I-75. It is very noisy; especially for those living in Lincoln Heights, Lockland and Woodlawn! Unfortunately, there is little that we can do about it. The firing range, owned and controlled by the City of Cincinnati, has been there since before the Village existed. We have persuaded them to shut it down each evening at 7pm and have offered to buy the property, but so far it has not been put up for sale. Frankly, they have no place to go.

The other vexing issue is the eighteen-wheelers travelling on Glendale-Milford Road between Reading and Plainfield Roads. When I took office, I had the Police Chief post a patrol car there with an overtime officer in the car. We caught a number of trucks during our six-month trial period. But it did not reduce the eighteen-wheeler traffic one iota. They paid their fine and went their merry way. Meanwhile, the overtime costs were eating us up.

The chief still has every shift spend one half-hour looking for trucks on this section of Glendale-Milford Road. But with our manpower, we are reluctant to do more. We have warning sign up in Blue Ash to warn the drivers before they pass the Plainfield intersection. It does little good. Some truckers tell us that the road is still designated as State Route 126 on their GPS systems. Some report that they have asked their trucking companies to make a GPS system change. If a truck from a trucking company is caught, we contact that company to advise that eighteen-wheelers are prohibited on Glendale-Milford Road. But it does not seem to be having any effect.

We are all ears if you have any ideas on either of these two issues. Please call if you would like to propose a solution!!

Sincerely,

Your Mayor

GETTING TO KNOW YOUR NEIGHBOR

Jack and Matilda Lemen moved to Evendale in the summer of 1958 and raised their eight children here. Their son, John Lemen married Diane in 1978 and they moved their family here in 1997.

Diane is a registered nurse and will celebrate 40 years at Cincinnati Children's in 2018. She is currently working in the outpatient neighborhood locations for the Ear, Nose and Throat surgeons. It is Diane's love for history that has made her a vital member of the Evendale Historical Commission (EHC) and one of its founding members. She is currently working with Susan Gordy to incorporate the EHC archives into part of the Cultural Arts. Diane also enjoys sewing and making quilts.

John and Diane have five children and two grandchildren. They are looking forward to retiring in several years so they can dedicate more time to their hobbies, historical interests and traveling.

SERVICE DEPARTMENT

MSD Combined Sewer Evaluation

Metropolitan Sewer District (MSD) will be conducting field surveys and mapping of the sanitary sewer at the south end of the Village. This will include the residential and commercial areas south of Cooper Road. This purpose of this project is to improve sanitary and storm sewers in the vicinity of the study area. It may be necessary for Field Crews to access properties to get to the current infrastructure. If you have any questions, please contact the Service Department at 513-563-4338.

Garbage/Recycling

We appreciate your patience over the past several weeks as weather has disrupted the schedule for trash and recycling collections. Please check the website and the Village's Facebook and Twitter sites for updates if changes need to be made with collection. If you have any questions, or concerns please contact the Service Department at 513-563-4338.

SPECIAL EVENTS

HAMILTON COUNTY PUBLIC FORUM AND PLANNING SESSION

Thursday, February 8

6:30 – 8:30 PM

Hamilton County Emergency Management and Homeland Security Agency (EMHSA) will be hosting public information and planning sessions to gather input from Hamilton County residents regarding potential emergencies and disasters that could impact the County. These sessions are part of the All-Hazard Mitigation Plan, which is undergoing a mandatory 5-year update.

“Hamilton County is committed to ensuring the safety and well-being of its residents and the reduction of disaster-related damages from both natural and manmade hazards,” Nick Crossley, Hamilton County EMHSA Director said. “The public’s participation will assist our emergency preparedness staff in identifying which hazards are of most concern to our residents and businesses. The public meetings will also help us identify and prioritize the services, disaster-related projects, and capabilities the community may need during an emergency.”

Did you know...

Evendale-Blue Ash Pet Hospital is under new ownership, featuring convenient hours and modern treatment services to provide best-in-class care for your pets. Dr. Joanne (Jo) Goodman now leads the practice following the retirement of Dr. Steven Stratemeyer who served our community for more than 30 years.

Dr. Goodman is a highly respected local practitioner who has been practicing at Kings Veterinary Hospital in Loveland for the past decade. She is a proud graduate of The Ohio State University College of Veterinary Medicine and Miami University with a BS in Zoology.

With strong interest in modern preventative care, medicine and surgery, Dr. Goodman is offering new services including laser surgery, therapeutic laser treatments, dental services including digital dental radiographs, ultrasound, and acupuncture (coming soon). She also is running weight loss contests several times a year to help your pets feel their best.

In addition to caring for your pets, Dr. Goodman is committed to giving back in our community as a volunteer for the Newport Aquarium, Cincinnati Zoo and local shelters. She enjoys spending time with her husband, friends, and family - including three rescue dogs.

Make an appointment to meet Dr. Goodman and her terrific staff at Evendale-Blue Ash Pet Hospital today. Visit www.ebapethospital.com for hours, or call 513-563-0410. Follow "Evendale Blue Ash Pet Hospital" on Facebook for regular updates and pet care tips and techniques.
