

VILLAGE OF EVENDALE

JULY, 2017

Dear Neighbors and Friends:

I wish to thank all the residents and staff who helped to make the vision of a Tribute Tower a reality. Many hours went into the design, construction, and planning of the two day celebration. Thanks to the veterans, police and fire personnel, and residents who attended the dedication. I am grateful that Mother Nature kept the rain away long enough so we could complete the project. This bell tower will be lasting tribute to our military, police and fire personnel.

The gas pipeline controversy continues. We recently learned that the Ohio Power Siting Board (OPSB) has recently recommended that the route going through Amberley Village, Blue Ash, Bond Hill, Evendale, Golf Manor, Norwood, Pleasant Ridge, Reading, and Sharonville should now be the primary route. Their reasoning is that this route is the least disruptive route to people and the environment. Try telling that to the people on Glendale-Milford Road whose front yards are going to be taken!! A fifty foot temporary construction easement on the major thoroughfare through our residential area, including past several churches, the Recreation Center and Evendale Elementary, will definitely be disruptive.

We have staff conducting meetings and writing reports so the Village can be prepared for the next OPSB meeting in Columbus. Rest assured we are doing everything possible to get our voice heard in Columbus. We will keep you posted.

At the same time of the construction of the pipeline, the Through the Valley project, a three year construction project, along I-75 will be in full swing. Glendale-Milford Road will be a mess in 2018.

Sincerely,

Your Mayor

Getting to Know Your Neighbors

Thirty young musicians are currently enrolled in the Evendale Cultural Arts Center's music scholarship program. Just recently several of these students played a recital at the Cincinnati Art Museum under the expert guidance of center instructor, Gayle Castle.

Ally Puthoff is in 6th grade and started playing violin last fall. Prior to violin she played piano for one year. She has lived here in Evendale her whole life and attends St. Michael's School. Her favorite thing about taking music lessons is how fun they are and how nice Miss Castle is as a teacher!

Amanda Tulloss is in 7th grade and plays both viola and violin. She too is a lifelong resident of Evendale and attends Princeton Middle School and will be doing the "O" bell program there this fall. She enjoys taking lessons from Ms. Gayle because, "she really encourages us to be the best we can be at our instruments." Amanda shares that "Ms. Gayle can be funny which often times makes me smile. I really enjoy the group lessons that she offers and the chance to perform." Amanda also enjoys all sports, especially fast pitch softball, and plays piano and enjoys art as well.

Adam Tulloss starts 10th grade at Princeton High School in the fall. He's lived in Evendale all his life and plays both the piano and violin. He really enjoys Ms. Gayle's sense of humor and that he can easily walk to his music lessons! When not playing music, Adam is a soccer referee, is on the Evendale Swim Team and is a Phi Lambda Pi member.

ADMINISTRATION DEPARTMENT

The parent company of our gas aggregation service provider, Exelon, is making internal division adjustments. As a result, our gas agreement has been assigned to "Constellation NewEnergy" from "Constellation". According to our energy consultants, the change will not affect our current contract in any way; this is a business name change only. The company will soon be sending letters to all our aggregation participants advising them of this change.
