

VILLAGE OF EVENDALE

MARCH, 2016

Dear Neighbors and Friend:

I have had several inquiries about the Village's plans for the TLC property. I am sure that many more are wondering. Gorman Farm is currently using one of the buildings to raise seed plants this winter. The Fire Department will be using the buildings for training exercises before the wrecking ball finally hits in March or April. Barring any unforeseen complications, we will have the buildings down, the TLC and Root properties leveled off, the grounds cleaned up and the area ready to be put on the market by the end of May.

Council and the Community Improvement Corporation (CIC) have been working diligently on the new AeroHub development on Glendale-Milford Road, just west of I-75. We are moving forward with the construction of the first office building in this development. The OPUS Development Co. has submitted a conceptual drawing and is actively looking for tenants. This is an exciting commercial development and we will continue to keep you informed on its progress.

The Village's phone system was installed when the Municipal Building was built nearly 20 years ago. Council has authorized a new phone system. This time, we will be leasing the phone system rather than purchasing one. This will allow us to take better advantage of the rapid changes in the communication technology.

It is my pleasure to announce the winner of this year's Snow Creation Contest is Abbie and Jack Barthel's "Crystal the Snowman". Please continue to submit your creations. Anything submitted now until January 16, 2017 will be entered in next year's contest.

Sincerely,

Mayor

Getting to Know Your Neighbors

Last November, John Ranz was re-elected to serve his third consecutive term on council – his fourth overall. With new economic development projects in the works such as Aerohub, John is excited about the future of our Village. He looks forward to working towards the completion of these projects and securing the long term future of Evendale.

John and his wife Jacquie have lived in Evendale for over 28 years, raising their two children John and Elizabeth here. John is President and owner of Integrity Management Group, Inc. – a sales and marketing company serving the disposable hygienic market. He is a proud graduate of St. Xavier High School and Indiana University.

In their spare time, John and Jacquie enjoy playing golf, traveling to visit their children, and rooting for the Reds, the Bengals, and their Indiana Hoosiers. John can be reached at (513) 563-2070

POLICE DEPARTMENT

Congratulations to Det. Sean McKinney and Lt. Steve Niehauser, along with officers from the Cincinnati Police Department, the Madeira Police Department, and the Indian Hill Rangers, on being awarded the Hamilton County Police Association's Clarence "Cid" Caesar Award for Best Investigation involving Inter-Agency Cooperation in 2015.

Through the hard work of all these officers, four suspects from Florida were identified, arrested and indicted for burglaries in these local communities. Those arrested made a career of traveling up and down I-75 burglarizing houses in affluent communities, not only in the Cincinnati area, but also in Nashville, Tallahassee, Lexington, Indianapolis, Houston, and others. These suspects were responsible for literally hundreds of burglaries.

Last year, we took nine identity theft reports from residents involving the filing of their tax returns. These residents filed their taxes and later received a letter from the IRS saying that they had already filed. Unfortunately, because the suspects are not local, there is little or nothing we can do. The best way to protect yourself from these types of crimes is to monitor your credit report, file your taxes early, and if you have received ID number from the IRS, use this number instead of your social security number.

TAX DEPARTMENT

Please note the following dates when filing your tax return this year;

- The 2015 annual tax return is due Monday, April 18th, (due to Federal Emancipation Day).
- Effective for the 2016 tax year, individual and business estimated tax payments are due on the April 18th, June 15th, September 15th and December 15th. Please note that these dates are new for individual filers, as mandated by changes adopted by the State of Ohio (HB5).

A request for an extension of time to file the 2015 tax return must be made in writing and submitted by April 18th, 2016.

Additional tax information and tax forms are available on the Evendale Tax Department webpage, <http://www.evendaleohio.org/tax-department>. If you have any questions, or need assistance with your tax return, please call the Tax Administrator, Cindy Vaske, at (513) 563-2671.
