

VILLAGE OF EVENDALE

MAY, 2017

Dear Neighbors and Friends:

Happy May & Spring!

Duke Energy continues to move forward on their proposed gas pipeline. They have filed an application with the Ohio Power Siting Board. Even though we are still the alternate route, we have joined this fight with the City of Cincinnati, Hamilton County, Blue Ash, Madeira, Sycamore Township and others to stop the pipeline. An application has been filed to intervene in Duke's application. Our application gives us a voice at the state level. I don't see this pipeline becoming a reality for several years, but we want to stay ahead of the game. I'm afraid even the possibility of the pipeline coming through Evendale, may have already cost the Village a business.

Another problem facing our residents is coyotes. They are growing in numbers and becoming much bolder. Several attacks on dogs have been reported. One attack occurred as the owner watched from her window; and this was a pretty big dog! The question is, "Should we make an effort to reduce the number of coyotes?" If you have an opinion on this, please let us know. This issue will be in front of Council in the near future.

Finally, work on the Tribute Tower continues. If you have been on the Village grounds, perhaps you have seen activity at the Baxter Park entrance. The deadline for having the bronze plaques and bricks installed in time for the dedication over Memorial Day weekend has passed. You can still purchase plaques for veterans, firemen, or police officers and bricks for your family. The purpose of the memorial is to honor our veterans and first responders for generations to come.

Sincerely,

Your Mayor

Getting to Know Your Neighbors

I have lived in Evendale all my life with my mom (Stacie), dad (Joe), and two older brothers (Carey and Kenton). I have been in Phi Lambda Pi since 8th grade and have won many awards during my Phi career. I was on the governing committee for Phi, and I had the privilege to represent Phi on the Recreation Commission. I have worked at the swimming pool concession stand through Phi since the end of eighth grade year going into freshmen year. This past summer I was the manager of the concession stand. I did my Capstone project in Evendale which involved Phi Lambda Pi and the Adult Program.

I am on the Mount Notre Dame High School track team. I have track almost every day a week, but in my free time I love to work on improving my photography skills, and spending time with my family and friends. I like to walk my dogs down on the soccer fields or just around the rec center. I also love to volunteer in the community when I'm able to.

When it comes to education I went to St. Michaels for grade school, and I am currently a senior at Mount Notre Dame in Reading. The next step for me is going to Wright State University. I will be majoring in Social Work but more specifically I want to do substance abuse and behavioral disorder counseling. I hope to get involved with Paws 4 Ability to help train and take care of a service dog.

ADMINISTRATION

Just a quick reminder that residential garbage cans cannot be kept or stored in the front yard area except for 12 hours before and after trash collection. When not set out for collection, please keep cans stored along the side or rear yard area in an inconspicuous location or store them in an enclosed garage or shed. Storing cans in such a manner helps keep our streets clean and uncluttered. Thank you for your continued assistance in this regard. Please call the Service Department at 563-4338 with any questions regarding trash collection.

Did you know...

The Greek letters, Phi Lambda Pi, stands for service, friendship and play. Evendale's Phi Lambda Pi (Phi) was created for Evendale's teenagers by Recreation Director Sheldon Bentley in 1959. To be a member of this organization you must be in the 8th - 12th grades. Since its conception Phi has served the residents of Evendale through their many service projects including staffing of the swimming pool concession stand, volunteering at village events, raking yards for our elderly residents, Election Day bake sale, etc. Members earn points every time they volunteer for an event. These points are used by the members to participate in Phi activities such as trips and social activities. The friendships the members form during their years in Phi last a life time.
