

VILLAGE OF EVENDALE

MAY, 2018

Dear Neighbors and Friends:

We are planning four days of activities for the Memorial Day weekend that I don't think you will want to miss.

First, "The Eyes of Freedom: Lima Company Memorial" paintings by Anita Miller will be on display at the Tribute Tower from Friday to Tuesday. This memorial was inspired by the Lima Company, a Columbus based unit that lost one Navy Corpsman and 22 Marines during 2005 combat operations in Iraq. One of the Marines lost was young Lance Corporal Chris Dyer from Evendale. The murals debuted at the Ohio Statehouse in 2008 and have been on exhibit across the country. This memorial is more than just for veterans of Iraq and Afghanistan. This is for anyone who has ever served.

In addition, the Recreation Center will be hosting a display of 25 Vietnam photos by Ken Williamson. Mr. Williamson was drafted into the Army in 1968. Following basic training, Ken was assigned to the Department of the Army Special Photo Office (DASPO). In 1969, his assignment took him to South Vietnam to document the operations of the Army's Corp. of Engineers. Ken traveled the entire country of South Vietnam. His story and photographs convey his personal perspective.

The culmination of the weekend will be a ceremony at 4:00pm at the Tribute Tower on Monday. State Senator Lou Terhar was instrumental in getting legislation passed to name the two miles of I-75 that runs through the village the "Lance Corporal Chris Dyer Memorial Highway". He will speak and present a replica of the highway sign to the Dyer family. Lt. Godfrey Miller, a 93 year old resident and a Tuskegee Airman, will also be honored at this ceremony. These airmen were African-American pilots of WW II era who broke the color barrier of the Air Force. They flew 15,553 sorties over North Africa, Sicily and Europe. In commemoration, a Flight Chief of the "Red Tails", Leslie Edward Sr., also age 93, will address the gathering. Musical entertainment will be provided by the 35th Indiana Irish Regiment, the largest bagpipe band in the Midwest. They were established during the Civil War and today consist of 17 bagpipers and 12 drummers.

After the ceremony at the Tribute Tower, we will have a motorcade travel to the unveiling of the "Lance Corporal Chris Dyer Memorial Highway" signs on I-75.

Sincerely,

Your Mayor

GETTING TO KNOW YOUR NEIGHBOR

This past January marked 30 years that Eugene and Terri Rutz have been Evendale residents. They have four grown children who took advantage of many activities in the village throughout the years. When young, they all attended the plethora of children's programs offered through the Village. All four swam for the Evendale Eagles and enjoyed many victories. Feeding animals every Saturday at Gorman Farm started as a volunteer job for Leah, but still continues with Eugene. Terri volunteered at Evendale Elementary while the children attended, doing most PTA jobs, including president. All four children attended Princeton High School, receiving excellent educations that prepared them well for college and a diverse world. Eugene has worked for UC going on 29 years. Terri has been at Children's Hospital in two stints, taking time off to raise the children in between.

POLICE & FIRE DEPARTMENTS

The Emergency Services of Evendale encourages all residents to have multiple ways of receiving alerts and warnings. Hamilton County is rolling out a new notification system for residents. This is a twofold system, SMART911 and HC Alerts. SMART911 allows first responders to have quicker access to important information in case of an emergency.

What Kind of Alerts Can You Receive?

- National Weather Service Watches and Warnings for Hamilton County
- Phone Call Alerts Available for: Civil Danger Warnings, Civil Emergency Messages, Evacuation Immediate Alerts, Flash Flood Warnings, Flood Warnings, Shelter in Place Warnings, and Tornado Warnings, Critical Safety & Emergency Information
- Non-Emergency Messages from your Community

How Can You Get These Alerts?

- Text Messages
- Email
- Voice Call (Available for the following alerts: Flood Warning, Tornado Warning, Evacuation, Civil Danger Warning, Civil Emergency Message, Flash Flood Warning, Shelter In Place Warning)

What is Smart911?

Smart911 is a tool that will allow you to share critical information with 9-1-1 call takers and first responders during an emergency. By creating a profile, you can provide first responders with key information about members of your household (names, physical descriptions, photos, pet information), as well as medical information that is crucial during an emergency.

What Information Should I Include in My Profile?

- People – Names, physical descriptions, and photos will help responders act quickly if a child goes missing, or help identify individuals in an emergency.
- Phones – Add all phone numbers (especially cell phones) so that 9-1-1 will have a better idea where you are when you need help.
- Animals – Include information about your pets and service animals that responders need to be aware of.
- Medical Information – Existing conditions, allergies, disabilities and equipment, medications being taken by all members of your household.
- Address and Location Information – Property details, photographs of your residence, utility shutoff locations, access points to the residence, floor layout and bedroom locations.
- Vehicle Information – Include a description of your vehicle, as well as the license plate number.
- Emergency Contact Information – Include the information of family members, friends, or neighbors in the event of an emergency.
- Communication Preferences – If an individual is deaf or hard of hearing, or English is not the primary language, dispatchers will immediately know that an alternate form of communication is needed.

How Do I Sign Up?

You can log onto www.HCREADY.org and follow the “warning” tab to enter your information. Or on May 14 & 21 from 9:00am – 12:00pm or 4:00pm – 7:00pm we will have computers and people available to assist you in signing up at the recreation center. This assistance is for Evendale residents only and you must call the recreation center at 563-2247 to reserve your 30 minute slot at one of the computers. The Fire & Police Chiefs along with some recreation staff members will be on hand to assist anyone with the process for signing up for these vital resources.

These life-size mural paintings of the 23-fallen of Lima 3/25 now travel the entire country. This traveling tribute's mission is to "Honor the Service and Sacrifice of all who answer our Nation's call." Their own boots stand at the base of their portraits, making even more personal the gift of their service. The Eyes of Freedom Memorial, painted by acclaimed artist, Anita Miller, is a living traveling tribute that reminds us of the costs of freedom.

Did You Know...

Memorial Day or Decoration Day is a federal holiday for remembering the people who died while serving in our country's armed forces. Memorial Day is not to be confused With Veteran's Day. Memorial Day is a day of remembering the men and women who died while serving, whereas Veteran's Day celebrates the service of all U.S. military veterans.

The practice of decorating soldier's graves with flowers is an age-old custom. Today many volunteers place an American flag on each grave in national cemeteries every Memorial Day. Some believe that an annual cemetery decoration practice began before the Civil War and may have been the beginning of the Memorial Day holiday.

Many people consider Memorial Day as the unofficial beginning of summer.
