

# VILLAGE OF EVENDALE

NOVEMBER, 2016

Dear Neighbors and Friends,

I encourage you to make plans to attend this year's Town Meeting on Sunday, November 6<sup>th</sup>. The agenda is the same as previous years; with the business meeting scheduled to begin at 5:00 pm, and dinner following. Please plan to come early. There will be exhibits and representatives from various Village departments set up in the gym.

Please note that because Election Day falls on the same day as our regularly scheduled Council meeting, the November Council meeting has been moved to Monday, November 7<sup>th</sup> at 7:00 pm.

The Veterans/First Responders Memorial Monument project is moving forward. A committee has been formed and is working on the final plans for the bell tower and surrounding area. Three days of activities and events, including the dedication ceremony for the new bell tower, are being planned for the 2017 Memorial Day Weekend. More information will follow as the plans are finalized.

Countless hours have gone into the design of our new Village seal which was approved by Council at our September meeting. I am very proud of it. The new slogan featured on the seal, "Gateway to Opportunity", was submitted by resident Tim O'Leary.

I had the pleasure of attending the Juried Photo Exhibit at the Cultural Arts Center in October. I was pleased to see so many wonderful photos submitted by our residents. The winner for the Adult Division was Mary Fox for "Parisian Patrol". "Swim", submitted by Nate Binkley, was the winner for the Student Division.

Sincerely,

*Dick Gorman*  
Your Mayor

## Getting to Know Your Neighbors

Lots of neighbors come together for Douglas Davenport's Major Boot Camp at 5:00 am Tuesday and Thursday and 8:00 am on Saturday mornings. The camaraderie and results is what makes this class so successful and fun. We share laughter and encourage each other to be our best. Douglas Davenport has been our leader and motivator for over six years! Tuesday is boxing boot camp, Thursday is strengthening boot camp, and Saturday is cardio boot camp. We have a total of 15 teammates from the ages of 17 to 62.

Getting up that early never is easy but when you are meeting a group of friends and greeted by smiles, it makes it worth it. It is amazing how far you can push yourself when you are sharing your pain with a group. All of us started out thinking we couldn't get through the workout but each of us work at your own pace and encourage each other to do their best.

Douglas's class is a great way to get to know your neighbor! We always welcome new participants!

## GORMAN HERITAGE FARM

Gorman turkeys don't have pop up timers, pesticides or antibiotics and are not genetically modified. They are treated humanely, unlike on huge "factory farms". Our turkeys are free range and spend their days grazing on fresh grasses and foraging for nuts, seeds, berries, insects, and other small critters. As a result they are not only healthier but taste better too!

Only a few delicious pasture raised turkeys remain for preorder. Order yours today at [www.gormanfarm.org](http://www.gormanfarm.org) or at the Interpretive Center. Pick-up is the Monday before Thanksgiving (November 21 after 4pm).

Beef, pork, lamb and goat are also available for preorder. [www.gormanfarm.org/products/meat-poultry/](http://www.gormanfarm.org/products/meat-poultry/) The Farm Shop has pastured raised frozen chicken available as well as eggs, honey and locally made foods.

Schedule your event at the Farm! We rent space on the farm for birthday parties, weddings, showers, bar mitzvahs, corporate retreats, etc.

The Sunflower Festival was a great success! Thank you to the over 6,000 people who attended and 135 people who volunteered their time. Thanks to the Mayor and Evendale Police for their help at the Festival. Thanks also to our neighbors for their understanding and patience. Save the date for next year; it is always held on the first full weekend of October, 10/7-8/2017.

## Did You Know...

Evendale's first school was built in 1840. It was a small brick building located on east side of Reading Road approximately 800 feet south of Glendale-Milford Road. Tuition was one cent per day. A new, two-room Red Brick School Building was built in 1862 at the corner of Reading and Glendale-Milford Roads, current location of the Cultural Arts Building. This building was the center for many activities including civic, social, religious and educational meetings, plays, picnics, socials and suppers. The community pride in their school enabled the small, rural Evendale population to defeat annexation attempts by some adjoining municipalities. The Cultural Arts Building was built in 1932 and served as the primary grade school for Princeton City Schools until the early 1960's. Eventually the Village bought the building back in the 1970's.

It must include a reason for why it is necessary which relates either to the daily operation of the Village or the peace, health, safety or welfare of the Village.
