

# VILLAGE OF EVENDALE

NOVEMBER, 2017

Dear Neighbors and Friends:

This month, I want to share some important news involving our Municipal Income Tax and an impending lawsuit. You know the Village basically lives on the income tax. We don't have any real estate property tax that goes to the Village. The Municipal Income Tax is our life blood and we must protect it.

In 2014, The Ohio General Assembly enacted House Bill (H.B.) 5, which was a complete overhaul of Ohio Municipal Income Tax. The bill required that all municipalities adopt the provisions of that bill, or lose their ability to collect their tax. In 2017, they enacted House Bill (H.B.) 49, as part of the biennial General Fund Budget. Included were additional major changes in the Municipal Income Tax, which were not good. Many State Legislators were opposed to the changes in the Income Tax, but did not want to oppose the whole budget bill, so they voted in favor of the bill.

So this brings into play the Ohio constitutional provision that says any bill can only have one subject matter. Many of us believe these most recent changes to the Income Tax law violates this single subject rule by being in a budget bill. We believe it is unconstitutional legislation. Budget bills are meant to cover all of the spending of the State of Ohio, not municipalities.

In addition, we feel this also violates the provision which is called Home Rule. Evendale is governed by a Charter, not state law. The General Assembly does not have the constitutional power to overrule our Charter.

At the October Council Meeting, ORD #15-74 was approved, which authorized me to take necessary steps to join a coalition of other cities and villages in Ohio to sue the General Assembly on the grounds of unconstitutionality of provisions in H.B.5 and H.B. 49. Over 70 communities have joined the effort so far.

It all boils down to the State taking control of our income tax. In H.B. 49 they allow businesses to "opt-in" to a plan to file returns and pay local tax through the State, rather than locally. The state will take a 0.5 percent cut for the administration, and return the rest to us. Although it is optional at this time, they are gearing up to make it mandatory. The next steps could be the State requiring employers and individuals to use the State system as well for filing and paying their tax.

I fear it will be like the Local Government Fund which has been cut by at least 50%. The State legislature needed the money to balance the state budget, which was billions in the red. But when times became better at the State level and there was billions in the state coffers, nothing was restored to the Local Government Fund to allocate to municipalities. The Governor said the cities, village, townships, counties and school districts could raise their own funds. That to me means raise your taxes.

So I think we might as well take a stand through the courts in order to protect our tax revenue, or risk a disaster for our Village. We will keep you posted.

Sincerely,

Your Mayor

## Getting to Know Your Neighbors

Wayne Mosley has lived in Evendale since May, 2000. He has been married for 30 years to Donna. Their home backs up to Gorman Heritage Farm and they love taking their dog, Rex, on long walks there. He owns Central Tool Rental, which he started in 1977 and in 1986 moved the business into Evendale. He has two sons, two daughters-in-law and three grandsons. Both boys work in the business alongside Wayne and Donna. He has been active in the Greater Cincinnati Tool Rental Association for 40 years and served 15 years as their President.

He has served on the Village's Sign Variance Committee for many years until it was dissolved several years ago; he currently serves on the Recreation Committee, working alongside both Dave Nichols prior to his retirement and now Kim Pielage.

While his sons were growing up, he coached Evendale boy's teen basketball. He is an avid golfer and loves to travel.

## ADMINISTRATION DEPARTMENT

We have vacancies in various committees. We are grateful for the volunteers on these committees and value their time and dedication. If you are interested in serving on any of these committees, please send a letter of interest to Mayor Finan, Administrative Building, 10500 Reading Road, or email him at [richard.finan@evendaleohio.org](mailto:richard.finan@evendaleohio.org) by Wednesday, November 22<sup>nd</sup>.

**Evendale Historical Commission (EHC):** This commission was created in the spring of 2000. Their mission has been to preserve Evendale's history. Their achievements include:

- Assisted with the Village's 50<sup>th</sup> Anniversary Celebration in 2001.

- Sponsored two publications – *Village of Evendale, the First Fifty Years* and *Gorman Heritage Farm, A Rare Gem in Urban America*.

- Under the guidance of the EHC the Brown-Gorman Heritage Farm was placed on the National Register of Historical Places in 2012

- EHC has worked with the Civil War Trail Commission in a supportive role for nearly a decade and in 2013 celebrated the dedication of the John Hunt Morgan Heritage Trail.

- Over the years, the EHC has won numerous certificates of recognition of historical preservation at the state and local levels.

**Evendale Planning Commission (EPC):** The primary role of the EPC is to assist Council in implementing the Village's adopted Development Plan and in planning, developing, and completing specific projects. This includes reviewing all new commercial construction and structural alterations. Such reviews are based on any zoning code requirements and, if applicable, the Village of Evendale Design Guidelines. The EPC has an opening for a Business Representative. This member must be an owner, officer, or employee of a business or industry operating in the Village. The EPC meets on the third Tuesday of the month at 6:00 pm.

**Evendale Recreation Commission:** This commission is an advisory policy-forming board overseeing recreational activities in the Village. They meet the third Thursday every other month at 7:30 am. We are seeking to fill a vacant role for our Evendale Business Employee Representative. This representative must be an employee of a business located in the Village.

## GORMAN HERITAGE FARM

Gorman Turkeys are fresh, never frozen, juicy and delicious! Pickup is the Monday before Thanksgiving after 5pm. Order in the Farmshop or on line at [www.gormanfarm.org/products/meat-poultry](http://www.gormanfarm.org/products/meat-poultry)

We are also taking order for **pork shares**, for pick-up the first week of November.
