

VILLAGE OF EVENDALE

SEPTEMBER, 2017

Dear Neighbors and Friends:

The Village has received countless complaints about the roads in the small commercial development on the northwest corner of Reading and Glendale-Milford Roads. Unfortunately these roads are privately owned and the responsibility of their upkeep falls on four different entities. We are actively taking steps to have the owners bring the roads up to the Village specification, but meanwhile these roads continue to deteriorate. One hole is so big that you could lose your car in it! The Village will not spend any money on these roads.

Fortunately, the Village is solving another road problem. In October, repaving of Reading Road from Inwood Drive north to the corporation line will begin. This is a 50/50 project with the State of Ohio. It will cost us \$500,000.

The old Frisch's property on Reading Road, by the Sharonville Municipal Building, has been demolished and will be under construction shortly. It is slated to have three tenants including a wine and spirits shop. It will be a good addition to the Village.

Lastly, we have let two contracts; one for the demolition work at I-75 and Glendale-Milford Road and the second is for renovations to the Recreation Center. We will be doing the Recreation Center renovations in stages.

Sincerely,

Your Mayor

Getting to Know Your Neighbors

Rick and Peggy Herzog have been married for 47 years. They have four grown children and fifteen grandchildren who all live in the Cincinnati area. In 2008, Rick bought a small house on Otterbein Road in Evendale. He tore down the existing house, then designed and built their new home, where they have lived for eight years.

Peggy works for Tri-Health. Almost every Sunday, Peggy has supper for the family.

Rick was a partner and co-founder of Optimum Graphics/Group, an advertising agency in Cincinnati, for 17 years. After his work with Optimum, he built and operated Putt-N-Fun, a family fun center in Milford. Rick got to meet and talk to many new people over Putt-N-Fun's 20 years of business. Putt-N-Fun had many attractions including; mini-golf, go-karts, paintball, and a large maze. Next door, Peggy had a country craft shop called Forever Special. A developer bought the property in 2008.

Rick has been a volunteer at the Gorman Heritage Farm for the past 7 years. During this time, he was a member of the board for three years. In addition, he was a member of the grounds committee for 4 years. Rick over saw and worked on many projects. These include designing and building the stone entrance walls at Winnebago Trail, designing and remodeling the old steel barn into the maintenance building and over saw the design and construction of the new steel storage building. Rick also enjoys being a member of the GHF Harness Club. This club takes the mules and miniature horses to many outreach programs for the disabled throughout the Greater Cincinnati area. Rick loves to paint using water colors. The picture of the mules George and Jimmy were exhibited in the Evendale Fine Art Exhibit in May.

Rick said, "If you haven't visited the Gorman Heritage Farm, you should go to the Sunflower Festival in October. You'll come back!"
