

VILLAGE OF EVENDALE

SEPTEMBER, 2018

Dear Friends and Neighbors:

The Village has purchased the Evendale Community Church building located at 3270 Glendale-Milford Road. The church determined that they needed to sell the property because their attendance has declined over the last several years and new enrollments are way down. It simply wasn't viable for them to continue.

Since the church is located adjacent to our complex, we decided the purchase of this property was necessary to preserve this valuable parking area for Village use. We agreed to allow the church to continue using the building for their Sunday services and other scheduled events. We also agreed that the Boy Scouts may continue to use this facility for their meetings and activities.

In addition, the church will be the perfect location for the Cultural Arts Center performance center and their children's productions. The Recreation Department is exploring other uses for the building.

Now the question is, "What shall we name it?". We will be glad to have your suggestions. However, let's forget the word "Annex"!!

On a closing note, I recently had the honor to recognize Bill Cornet for his 60 years of employment with Gold Medal. Thank you to all who contribute their time and talent for the betterment of Evendale's business community!

Sincerely,

Your Mayor
