

February 2012

I hope you are enjoying our winter weather – although I'm not sure Mother Nature has fully decided it is winter yet! Our Service Department is prepared and expecting some days of snow and ice. Please help keep the roads safe during inclement weather by removing any vehicles you may have parked on the street. This will allow our Service Department plow trucks to navigate the side streets more efficiently for snow and ice control.

Included with this newsletter is a flyer about the Evendale Chamber of Commerce Christopher Dyer Memorial Scholarship Fund. For the past four years, the Evendale Chamber has awarded four \$1,000 scholarships to high school seniors headed to college. If you have a high school senior going to college, you should encourage them to apply. For more information you can contact Bob Luther at 563-2199 or at www.evendalechamber.org.

The Princeton City School District serves the majority of the Village residences. They have placed a 6.5 mil operating levy on the March ballot. I encourage you to learn the facts about the levy and make an informed decision when you cast your vote. For more information you can visit www.princeton.k12.oh.us.

Have you ever been frustrated with the Village website? Can't find what you are looking for easily or can't find it at all? Your feedback is needed. The Village is working on an update to our website and I want to make sure the changes are as useful as possible. If you have feedback please send it to jack.cameron@evendaleohio.org. Please take a moment so we can make your virtual experience a positive one.

For a better and better Evendale.
Your Mayor,
Don Apking
