

February 2013

Dear Neighbors and Friends:

In January, TriHealth acquired the Evendale Medical and Imaging Centers at 3155 Glendale-Milford Road. We are pleased to have TriHealth join our community and look forward to the service they will bring as the new TriHealth Evendale Hospital.

Congratulations to GE Aviation for being awarded the 2012 Ron Schallick Economic Development Award at the annual Hamilton County Development Corporation meeting. They received this award for their investment and improvements to their Evendale campus; including continued renovation/updating of their buildings and test facilities, the new green space, entrance and landscaping.

In response to the tragedy at Sandy Hook Elementary, our Police Department will be hosting a presentation, "Strategies for Surviving School and Workplace Violence", on Monday February 11th at 7:00 PM in the Recreation Center's Flex Room. This presentation is designed for anyone 10 years and older. The Police Department is partnering with Mayerson Center at Children's Hospital to offer guidance to parents on how to have a discussion with their children about incidents of violence and discuss defense strategies in violent situations. If you would like to attend this important presentation, please contact Sergeant Tim Holloway at tholloway@evendaleohio.org.

I have received several calls from residents concerning the increase on their Hamilton County property tax bill. Most of the increase that you are seeing is from the Princeton City School's operational levy that was voted on and passed in May, 2012. Evendale doesn't collect any property taxes and this additional tax money collected by Hamilton County, from this levy, goes directly to the operating budget of Princeton City Schools.

For a better and better Evendale...

Grading for the new trail connecting Cooper Road with the Upper Meadow and Brinton Trail has been completed. Work continues on the drainage project and laying down mulch.

The School Field Trip Program is starting up again in March. We are looking for volunteers to share their knowledge of gardening and the Farm with local students. Volunteers are required to attend a training session in February and lead ten programs. Contact Jamie Stoneham at jstonham@gormanfarm.org for more information.

Classes at Gorman Farm are forming. Are you interested in bee hive assembly, nutrition classes or home brewing basics? Check out the farm's website for these classes and many more.
