

July 2012

You can tell it is summer as the Recreation Center comes alive with children of all ages. It is great to see so many families using the Recreation Center, tennis courts, playing fields, and swimming pool. We are fortunate to live in such a wonderful community where we have so many options for family fun and we can also take advantage of the rich variety of opportunities offered in our region.

One such opportunity is the World Choir Games, which are being held in the United States for the first time ever. So this really is a once in a lifetime chance to experience 'World Cultures'. Three hundred and sixty choirs from forty-eight countries will be performing, with roughly eighty regional choirs. From July 4 – 14 these various choirs will be competing in different venues throughout the region. There will also be many free public performances. To check out a schedule of performances go to www.2012worldchoirgames.com.

If you want to enjoy some good music in your own backyard, join me, your friends and neighbors at our Pavilion right here in Baxter Park on Saturday nights this summer. I think we have something for everyone.
