

March 2014

Dear Neighbors and Friends:

This winter has been a challenge with the amount of snow and ice we have had to manage. I want to thank the Service Department for their tireless efforts in keeping our streets cleared and safe. I also want to thank everyone who kept their vehicle off the street. That is appreciated.

I wanted to make you aware that Council has approved two significant projects for 2014. We are going to construct another shelter house behind the Evendale Community Church. Current plans are for construction to begin late spring or early summer. The other project is to replace street lights in several of the subdivisions. This project is not expected to begin until late summer.

The Service Department is currently accepting applications for summer help. One must be 18 years of age or older to apply. Applications can be found on the Village website or picked up at the Service Department. Applications can be e-mailed to paula.schababerle@evendaleohio.org or dropped off at the Village offices during normal working hours.

Some residents have reported that they have been receiving hang-up phone calls from the 473 area code. Do not call the number back. Police Chief Niel Korte has advised us that these calls are a scam. If you call this number back, you will be billed for a high rate international call.

Finally, there has been some confusion as to when to use the direct numbers for the Evendale Police and the Fire Departments. First and foremost, in an emergency call 911. If it is not an emergency, you can reach someone in the Police Department by calling 563-2249 or the Fire Department at 563-2248. Please do not hesitate to call 911 and if you have the ability and the situation allows, consider calling the direct numbers which saves the Village a 911 call charge.

For a better and better Evendale...

Your Mayor,
Don Apking

ACTIVE ADULTS AND SENIOR ADULTS PROGRAM

Meet and Greet, Monday, March 3rd, 5:30 PM You will enjoy a Mexican Fiesta catered by Vonderhaars. Ceci Wiseloge entertains: **Granny's Kitchen Visit**, an old-fashioned kitchen complete with antique house wares and unusual gadgets. Poor Granny's domestic duties at the turn of the century were called drudgery - washing, making soap, ironing, cooking, sewing & keeping a perfect house. A look at the old flat irons, wringer washer, and carpet beaters remind us how hard the "good old days" really were. We'll also examine how the old domestic tools transformed into the modern conveniences we use today. You'll chuckle at Granny's old-timey methods of housework and acquire an appreciation for the tireless women of yesteryear.
