

November 2015

Dear Neighbors and Friends,

The Police Department has received several reports from residents who have received phone calls that they believed were irregular. Fortunately, the residents, wary of the suspicious nature of the calls, didn't fall prey to the scams and were prevented from any loss of money. Chief Korte has informed me that it is highly unlikely they could successfully prosecute individuals who succeed in getting your money through any phone scams. Please educate yourselves on this matter, trust your good judgement, and reduce the risk of being a victim.

With the coming of cooler weather, the use of fireplaces and fire pits will increase. Fire Chief Hauck would like to remind you of several safety measures to keep you and your family safe: keep anything that can burn at least three feet away from your fireplace/fire pit, have your chimneys cleaned and inspected every year, make sure your fireplace/fire pit has a sturdy screen to stop sparks from flying, ashes should be cool before putting them in a metal container, test smoke alarms monthly, and install carbon monoxide detectors. The Fire Department sells both smoke detectors and carbon monoxide detectors at a discounted price. Stop by the Fire Department during normal working hours if you need any of these fire safety items.

The Service Department is preparing for the snow season and readying their snow plows. They have suspended their dump truck delivery service until April 1, 2016.

The Fire Department will again be collecting new unwrapped toys for Toys for Tots. Collection boxes will be placed in the Recreation Center and the Fire Department. You can contact the Fire Department at 563-2248 if you have any questions.

The Evendale Cultural Arts Commission is looking for residents who love and appreciate the arts to serve on this commission. Meetings are held once a month. Come share your appreciation of the arts and make a difference in the Evendale arts community!

For a better and better Evendale...

Your Mayor,
Don Apking
