

October 2015

Dear Neighbor and Friends,

Next month you will have the opportunity to elect a new mayor and three council members. As the candidates contact you, please take this opportunity to ask them questions and learn what direction they hope to take the Village. Please listen to their answers and decide if you can support their leadership.

Another excellent way to educate yourself on the candidates running for Mayor, Council, and the Princeton School Board is by attending the Chamber's Meet the Candidates Night on October 22nd at Raffel's Catering. Please check out the insert in this newsletter for all the details. You can submit questions for this event by e-mailing them to Bob Luther at Benefits2you@gmail.com. The entire evening will be recorded by ICRC TV. The scheduled times and channel information for the re-broadcasts will be published on our website and posted in the Recreation Center and Administration office.

The annual Evendale Town Meeting is on Sunday, November 8th. Council members will present their reports on the state of the Village at 5:00 pm. Dinner will be served immediately following the meeting. You can make your reservations by calling the Recreation Center at 563-2247.

Evendale continues to work with Dynegy on securing reasonable electric rates for Village residents. Evendale will notify all residents via this newsletter and by direct mailings to all eligible program participants once a favorable rate is obtained.

October is Fire Prevention month. According to Fire Chief Hauck, the three key items in keeping your home safe are: smoke detectors placed in every bedroom, outside of the sleep areas and on every level of your home, everyone in your home should recognize the sound of a smoke detector, and you should replace all smoke detectors every ten years because the smoke detection elements will lose the efficiency over time. Our Fire Department personnel are always available to answer questions and help you make your home the safest it can be.

Beggar's Night will be on Saturday, October 31st from 6:00 pm—8:00 pm.

For a better and better Evendale...

Your Mayor,
Don Apking

Magazine. Business of the Month

KIDS ARE FUN
9654 READING ROAD
(513) 733-5437

Kids are Fun is a family owned and operated child care center that opened in September, 1986. We serve children ages six weeks to school age. We offer an excellent infant program and a preschool program that will prepare your child for kindergarten and all the pre-kindergarten testing.

We are a state licensed center with a star rating with the Ohio Department of Education. We are visited by state inspectors at least once a year. Our staff is fully qualified and certified in First Aid, CPR, child abuse recognition and communicable disease awareness. They also attend at least 20 hours of child development to keep up on all the latest research and child education techniques.

We accept families that are currently on the Hamilton County voucher system and families that are private paying. So if you are in need of full time child care, please feel free to stop in and take a tour. We would love to meet you and your child. Stop in and mention "Business of the Month" and receive a free enrollment.
