

Dear Neighbors and Friends,

The Village will again be supplying residents with leaf bags to help with fall cleanup. Bags will be distributed on Saturdays, between 9:00 am and 1:00 pm, starting September 21st at the Service Department. Filled leaf bags are to be placed at the curb with your trash on your regular collection day. If you are unable to pick up your leaf bags or if you have any questions, please contact Paula in the Service Department at paula.schababerle@evendaleohio.org or 563-4338.

In collaboration with the Regional Chamber of Commerce, Evendale will be hosting a concert by the Cincinnati Orchestra and Pop Brass Quintet. This concert will be held at the amphitheater on Thursday, September 5th, 12:00 pm to 1:00 pm. Raffles will be selling box lunches and water before the concert. In the case of inclement weather, the concert will be moved to the Multi-Purpose Room in the Recreation Center. I hope that you will have an opportunity to see these extraordinarily talented musicians.

The Evendale Chamber Annual Golf Outing is September 18th, at the Glenview Golf Course. Proceeds from this fundraiser support the Chamber's Christopher Dyer Memorial Scholarship Fund. This scholarship fund has awarded four \$1,000 scholarships to college bound Evendale residents for the past 5 years. The entry fee includes golf, cart, lunch, and dinner. I have played in this golf outing in the past and it was not only a great way to spend the day, it is also for a very honorable cause. For more information about the event or to become a sponsor, you can contact Kelvin Hanger at 454-2222 or kelvin_hanger@trihealth.com.

Menards opened their doors on August 6th. The response has been incredible. Please note that we have installed a new stop sign coming into the development from Reading Road once you cross the Cunningham Road bridge. Please be cautious as you travel through this intersection until motorists are used to the change.

For a better and better Evendale...

Your Mayor,
Don Apking

"We were introduced to Todd Kelly, a Financial Advisor with Summit, at a seminar you hosted at the Rec Center in 2010. We attended to learn what other strategies we might need to take since we had 2 kids in college and had 3 more, not far behind. While we had attended other seminars/ lectures that offered similar insights, Summit's, no pressure, information awareness approach was appreciated. Todd guided us through some techniques to help us gain access to as much "free money" as possible and if we had a bit more time, would have possibly had even a better outcome. Please continue to host the Summit Financial Group to give other Evendale families the opportunity to learn about college planning. Tell them that the sooner they start the hunt, the better for kids in high school!" ~ Susan Spraul, Evendale Resident and mother of five.
