Dearest Neighbors and Friends:

Happy New Year!

Last winter was mild and snow and ice removal weren’t regular happenings. I won’t try to predict how this winter will be, but I would like to remind you that when snow or ice form on the roads; please make every attempt to park your vehicles off the streets. Having the streets clear of vehicles during snow and ice events greatly helps our Service Department to clear our streets quickly and safely.

I have been enjoying watching the construction of the new Menards building at Evendale Commons. The progress they have made in the first two months since starting is amazing. The construction crews are on track to open this spring. Menards will be a nice addition to the Village.

In response to recent feedback, you may have noticed that we have included an Adult Services monthly calendar. Hopefully, this calendar will help you stay informed of all the Adult Services activities. Receiving this feedback reminds me of New Year resolutions to improve. The Village is always looking for ways to serve our residents better. If you have any suggestions or comments, please feel free to contact me at 563-2244 and let me know what is working, not working, and could work better.

Please keep the children, families, school employees, and all affected by the Newtown, Connecticut tragedy in your prayers. I want to assure you that our Police and Fire Departments constantly review their procedures for preparing and responding to Evendale Elementary and St. Rita Schools as well as other group meeting facilities in the Village. I can assure you that any necessary improvements will be implemented.

For a better and better Evendale…

Your Mayor,
Don Apking
