May 2012

I hope you’re enjoying the Spring weather and all the outdoor activities that come along this time of year. Just a reminder as we catch up with the spring cleaning in our yards, the Service Department provides chipping services to residents on Monday mornings. Please place limbs at the curb with the cut end out and leave the length of the limbs as long as possible. This will make it easier for our Service Department to load them into the chipper. Tree trimming performed by a contractor or professional service will not be chipped by our Service Department. Also, the grass is growing quickly right now, so please be courteous to your neighbors and keep your grass trimmed.

Work has begun to improve all of the traffic signals in the Village in order to help manage traffic flow and to improve visibility. The lights at all traffic signals will be replaced with LED lights. In addition, each intersection will have a black metal mast arm which holds the lights, and each signal head will have a black background plate with a reflective yellow outline. Our street names hanging from each mast arm will also be illuminated. The electronic controls will be updated with state of the art video detectors to help maximize traffic flow.

While we do not experience frequent accidents at intersections, they do happen. Recently a vehicle was struck crossing Glendale-Milford Road at Kingsport Drive. The driver at fault went through the red light on Glendale-Milford Road and was cited for failing to stop at the light. Hopefully the traffic signal improvements will help motorists with visibility and help to keep these types of accidents from occurring.

We have more pedestrians, cyclers, and motorists out and about now that warmer weather has arrived. Please continue to use caution when driving into the Village complex and throughout the Village at our busy intersections.

For a better and better Evendale.
Your Mayor,
Don Apking

Griffin Nature Preserve
Volunteer Day - Saturday, May 19th

Spring means spring cleaning and it’s time to get started with ours. The Griffin Nature Preserve Committee is hosting a Volunteer Day on Saturday, May 19th, from 9:00am to Noon. We need your help to keep things beautiful.

Come join your neighbors to help spruce up the trails, plant trees and flowers, and help with the general clean up of the Nature Preserve.

Coffee, hot chocolate and donuts will be provided at the start of the day and pizza and soda at noon. Bring some work gloves and a smile, and we look forward to seeing you on May 19th.

We will meet in the small parking area off of Wyscarver Road that morning.
