Dear Neighbors and Friends:

With spring comes “Spring-Cleaning”. Here are a few reminders so that we can assist you with your cleanup. If you have large items for pick-up, please have these items at the curb by 7:00 am, Monday mornings. Mattresses and upholstered furniture must be wrapped in plastic. Refrigerators and air conditioner units must be tagged by a certified technician verifying that the Freon or CF Gas has been removed from the unit.

Our Service Department provides curbside chipper service every week for tree limbs and brush. It is helpful if you leave the branches as long as possible with the cut ends toward the street. Branches can be no larger than 10” in diameter. Tree trimming performed by a contractor or professional service will not be chipped by our Service Department. You need to make sure removal is part of your contract with that professional.

The Volunteer Day at Griffin Nature Preserve is Saturday, May 10 from 9:00 am to 12 noon. Volunteers are needed to plant flowers, spread mulch and clean up the hiking trails. There will be donuts and coffee in the morning and pizza at lunch. Please bring our own gloves, garden tools and your energy to spend the morning cleaning up this fabulous preserve. In the case of rain, the date will be moved to Saturday, May 17th.

On Saturday April 12th, the Village had their second annual Shred Day. I’m pleased to say that we shredded 12,000 pounds of documents in just over three hours. This event has been so successful that we expect to make it an annual event each spring and you can plan now to clean out your old files each year.

For two days in April, we had the opportunity to show off Evendale to Hollywood. On April 15 and 16, the movie ‘Carol’ filming at the Hollywood Motel or McKinley Motel for movie purposes. As you may have noticed, the staging of equipment, trailers, and movie stars happened at the Village complex. I want to thank everyone for their patience with the added traffic and activity and our staff for making their experience in Evendale a positive one. It was reported that the producers noted this to be their most trouble free site to date.

After the winter we have endured our thoughts are turning to warm weather, spending time at the pool and summer concerts. The opening date for the Family Aquatic Center is Saturday, May 24 at 12 noon. For those residents who like to get their swim in early, morning swim starts June 9 from 6:00 am to 7:30 am.

You can find a complete calendar for all the pool events on our website under the “facilities” tab on the Recreation page as well as the summer concert schedule for the Pavilion which kicks off June 7th. Forever Diamond, Cincinnati’s premier Neil Diamond tribute band, will play at 7:30 pm. They always put on a good show and I hope you can join your neighbors and friends to enjoy the fun and fellowship these concerts provide.

For a better and better Evendale…
Your Mayor,
Don Apking
