Art Classes

Watercolor Wednesday

Classes give you warm-up exercises and step-by-step instructions for a finished painting, all in the same night. All classes will have brushwork practice at the start of class, pertinent to that evening's lesson, to learn about paint application. Then we will have a warm-up exercise to get familiar with our paint colors that day. Then we will paint a pre-designed motif and one that you "create-on-your-own" as your very own "Original"!
