Dear Neighbors and Friends:

We are still searching for a Business Representative for Planning Commission. If you are an Evendale business owner, officer or an employee of a business or industry operating in Evendale and are interested in serving on this committee, please contact David Elmer at 956-2666. The primary role of the EPC is to assist Council in implementing the Village’s adopted Development Plan and in planning, developing, and completing specific projects. The EPC meets on the third Tuesday of the month at 6:00 pm.

Since the summer, the Ohio Department of Transportation and John R. Jurgensen Company have been working on the reconstruction of Interstate 75 through Evendale. As the year comes to an end, the contractors have been concentrating on drainage, temporary pavement and the improvements along Glendale Milford Road. Even though we enter the winter season, work will continue on the south side of the bridge over Glendale Milford and the retaining walls along the interstate and adjoining roads. We anticipate that 2018 will see the completion of the work on Glendale Milford and the project to transition to the main line of the interstate, including the other bridges over the interstate south of Glendale Milford. We will continue to update the public on the progress of the project on the Evendale Emergency Services Facebook page and on Twitter.

We continue to move forward with the AeroHub development, west of Interstate 75. The contractor is wrapping up the removal of foundations and parking areas from the former bank and hotel properties at the AreoHub site. In addition, the engineers are finalizing the plans for the construction of Phase I of the AreoHub Blvd. We anticipate bidding this work in February and beginning construction in March of 2018. The Village continues to plan and market the development and we hope to announce tenants for the facility in 2018.

Sincerely,

[Signature]

Your Mayor

ADMINISTRATION

The Village of Evendale was recently awarded a $9,500 grant from the Duke Energy Foundation to help fund master planning for Evendale’s AeroHub development. AeroHub is a 50+ acre site west of I-75 for advanced manufacturing and high-tech businesses. Initial analysis suggests the site is capable of supporting three to five thousand professional jobs. Evendale officials have met with several end-users already interested in AeroHub. Phase I of a new roadway into the planned campus is currently underway; scheduled for completion by December 2018. Pictured (from left to right) are Hugh McKinnon, President of Evendale’s Community Improvement Corporation, Warren Walker with Duke Energy, and Mayor Richard Finan. For more information about AeroHub, please visit, bit.ly/AeroHub
FIRE DEPARTMENT

Drive Safely in the Snow

Driving in the winter means changes in the way you drive. Snow, sleet and ice can lead to hazardous road conditions. “My Car Does What?” is a campaign of the National Safety Council and the University of Iowa to help educate drivers on dozens of new vehicle safety technologies. But remember, you are your car's best safety feature. Take precautions to ensure you arrive safely at your destination.

Avoid Strain while Shoveling

Shoveling snow is a major winter activity in many parts of the United States. Taking a few precautions can help you prevent unnecessary pain and suffering. National Safety Council recommends the following tips to shovel safely.

- Do not shovel after eating or while smoking
- Take it slow and stretch out before you begin
- Shovel only fresh, powdery snow; it's lighter
- Push the snow rather than lifting it
- If you do lift it, use a small shovel or only partially fill the shovel
- Lift with your legs, not your back
- Do not work to the point of exhaustion

Treat Frostbite Immediately

Use first aid to help someone who may have frostbite. If you suspect frostbite:

- Get indoors immediately
- Seek medical attention
- Remove constrictive clothing and jewelry that could impair circulation
- Place dry, sterile gauze between toes and fingers to absorb moisture and keep them from sticking together
- Elevate the affected area to reduce pain and swelling

For superficial frostbite, you may also place the affected area in water that is 100 to 105 degrees until the tissue softens

Prevent Carbon Monoxide Poisoning

Carbon monoxide detectors save lives, but less than one-third of American homes have one installed. With December and January at the peak of CO poisonings, be sure to follow tips like these:

- Replace the battery for your home’s CO detector each spring and fall
- Do not heat your home with a gas range or oven
- Never run a car or truck inside an attached garage

SERVICE DEPARTMENT

Snow and Ice - Our crews will salt and plow Village streets, beginning with primary routes and proceeding to residential streets. Please remove parked vehicles from Village streets when snow is predicted. We also ask that you do not shovel snow into the street as this may create a hazardous condition. Our goal is to keep all streets as clean as possible during snow emergencies.

Tree Trimming - Residents are provided with a weekly curbside pickup of tree limbs and brush. It is available on Monday morning: please have tree limbs and brush at the curb by 7:00 a.m. Branches must be 10" or less in diameter, stacked neatly at the curb with stalk end street side. Twigs are considered yard waste, and should be placed in trash bins for pickup by Republic Services. If your driveway is located on a private drive, please call the Service Department to request chipper service.

NOTE: Residents who hire contractors for limb and bush work are required to have contractors remove debris. The Village of Evendale will not remove debris created by contractors. Also, tree and brush debris from other areas may not be brought into the Village for removal.
GORMAN HERITAGE FARM

The Farm reopens after the Holidays on January 8th.

Make a Resolution to Shop Local in 2018
Try delicious Gorman Heritage Farm chicken, beef and pork, available in the Farm Shop freezer. Pre-orders for chickens, pork and turkey are available on our website. We also have fresh eggs and produce available.

Midwinter Music Series presents Dueling Pianos!
Saturday, January 13
Evendale Recreation Center**
7:30 pm
Admission: $5 resident,
$10 guest of resident
Ages 18+
Call 563-2247 to reserve your seat
2 Pianos + 2 Players = 1 Rockin’ Fun Show! Heavy in audience participation, the Dueling Pianos bring the fun! A unique twist on the dueling pianos, this show features Father/Daughter combo Doug and Jessie Gehner! The Gehners have been playing and singing together for the past 25 years (but only for the general public to enjoy for the last 7). Doug was one of the original Howl at the Moon Saloon piano players! Both have played at countless public and private events in the Cincinnati area. Get ready for an entertaining AND interactive show!

Evendale Wine Club
Ages 21 & Over
Date: Saturday, February 10
Time: 5:00 pm
Tuition: $10 per person
Limited spaces! RSVP: 563-1350 or susan.gordy@evendaleohio.org
MAX: 20
Discover wine regions throughout the world with this fun, educational club. No need for a passport, just a corkscrew. Each month’s selections vary. Bringing a plate to share, is encouraged, but is NOT required.

MUSIC LESSONS!
We offer music lessons for the following instruments: autoharp, dulcimer, trumpet, trombone, baritone, French horn, clarinet, flute, saxophone, piano, drum & percussion, guitar, violin, viola, and voice. All ages welcome!! Evendale student residents receive 50% scholarship towards music lessons.

Playhouse in the Park’s “Pinocchio”
The much-loved tale about a wooden puppet who dreams of becoming a real boy is packed with magical characters, cartwheels, circus antics and dollops of fun for the whole family.

Sunday, January 28
Evendale Recreation Center**
1:30 pm—Puppetmaking
2:00 pm—Performance starts
Admission: FREE,
Appropriate for ages 6+
Call 563-2247 to reserve your seat

Did you know...

Evendale School published a monthly school newspaper called the SPOTLIGHT and sold the newspaper for 3 cents. In the January 30, 1948 edition, 8th grade student Delores Whitaker writes an article entitled School Contributes to Library Memorial Fund. She states Evendale School will be contributing money earned from a recent paper drive. The Library will purchase new books and dedicate them to Miss Elizabeth Wuest.

Delores notes, "Miss Wuest was one of the founders of the Bookmobile Service in 1926 and since that time has been visiting the county communities once a month on the Bookmobile. She was a very good librarian and a fine person." Miss Wuest was delivering books when she was involved in a fatal train verses automobile accident.
