Dear Neighbors and Friends:

On May 8th, Princeton High School held their annual senior “The Top 20 Academic Signing” award ceremony. I am proud to inform you that four of the top 20 seniors are residents of Evendale. Bryce Kessler earned the honor of Valedictorian of the Class of 2018; Bailey Ramsey is the Salutatorian. Bryce will be attending Baldwin Wallace University and Bailey has chosen the Ohio State University to continue her education. Dana Schriever and Jordan Smith were also included in the top 20 students. Dana will be attending University of Cincinnati and Jordan is heading to Howard University. Congratulations to these impressive young adults and good luck in to them in their future adventures.

Our Charter requires us to have an Annual Town Meeting. This tradition dates back to June, 1952. The purpose of this meeting is to allow the Mayor and Council an opportunity to provide the residents an explanation of the “services, operations, finances and affairs of the Village for the current and ensuing years and shall answer questions concerning the same.” Councilman John Ranz will be serving as the Chairman of the 2018 Annual Town Meeting, which is being held on Sunday, November 4th. Please feel free to contact myself or John Ranz if you have suggestions for this event.

This summer, the pool will be celebrating its 20th Anniversary! During the off-season, the women’s pool bathroom was given a make-over. Updates include a new tile floor, partitions, sink and mirror. Wider shower curtains were also installed in both bathrooms, and a new records board was purchased for the swim team. The pool desk was replaced with a mobile podium. The next goal is to tile the breezeway and men’s pool bathroom in 2019, if funding allows.

Sincerely,

Your Mayor

GETTING TO KNOW YOUR NEIGHBORS:

This past December, Dan and Jan Graham along with their son Mark and granddaughter Lanora moved into their home on Glendale-Milford Rd. after having spent most of 2017 renovating and adding on to the existing 1954 ranch. Their daughter, Brandi and her husband Daniel own 37 Acres farm in Camden, Ohio raising chickens, turkeys and pigs. Mark is employed with StageWorks. Dan has been a “part time” resident in the Village for the past 20 years and is currently a Lieutenant with the fire department. He spent part of his childhood growing up on Horncastle. Jan retired from nursing after 32 years as the Forensic Coordinator for TriHealth in which she was responsible for treating survivors of domestic violence and sexual abuse.

They enjoy traveling in their motorhome with their pets’ glamping, fishing and plan on traveling the country when Dan retires.

They have renovated and restored 3 older homes and most recently moved from a 3 story Victorian built in 1898 in Hamilton, Ohio’s Dayton Lane Historic District which was restored to its original elegance. This however is the last house they plan on renovating and are looking forward to the many activities Evendale has to offer!
POLICE DEPARTMENT

A relative of a resident who had recently passed contacted us after she discovered that an unknown person had attempted to open three credit cards in her father’s name. While it hasn’t yet been fully determined why the residence was targeted, it is believed that mail going to the residence was forwarded to another address before the family had the mail stopped. In a May, 2016 article from the Cleveland Plain Dealer, the reporter warns that it is “shockingly easy” for a thief to forward mail.

According to scambusters.org, the USPS will now conduct a security check when notified as an address change (https://www.scambusters.org/postalscams.html), needlessly to say however, awareness and vigilance are required in any circumstance.

FIRE DEPARTMENT

Keep yourself and your children safe this summer with a new ProRider Bike Helmet. You can purchase one at the Fire Department between 9 am to 4 pm for only $7.00. Stop by for a fitting!

**Did You Know...**

That the Village has been having an annual Shred Day since 2013. This year we shredded over 12,000 pounds of confidential information. For the past two years we have expanded our recycling efforts by including electronics and household waste to this day.

Through our curbside recycling, Evendale recycled 397.90 tons of metal, glass, plastic and paper in 2017. That averages out to each household in Evendale recycling 749 pounds.

Because of your efforts we were able to:

◊ Conserve enough energy to power every home in Evendale for 40 days;
◊ Reduce more air pollution than if every household in Evendale rode their bicycle to work for 3½ months;
◊ Save 2,338 trees from being harvested.
