Dear Neighbors and Friends:

In March, Duke will be requesting another hearing with the Ohio Power Siting Board (OPSB). They are hopeful that the hearing will occur in April or May, with a decision by this fall.

The position of the Village is the same today as it was last fall. At the last public hearing, we testified that Duke had not shown a need for the pipeline, and proposed that Duke could instead overhaul their propane station at a lower cost. If OPSB finds that a new pipeline is necessary, we suggested that the best location of the new pipeline would be in the I-71 right-of-way. Other pipelines have been permitted along I-71 and I-74. In fact, we were told that in a deposition taken of the company hired by Duke to look at pipeline routes, I-71 was the recommended route.

If the OPSB refuse these two options, I have testified that the pipeline should be placed in Glendale-Milford Road. This would prevent damage to the front yards of the homes on the north side of the road, as well as the destruction of old-growth trees. Some of those trees are estimated to be up to 300 years old.

So, we will see what will happen.

Sincerely,

Your Mayor

GETTING TO KNOW YOUR NEIGHBORS

Godfrey and Geneva Miller moved to Evendale in the spring of 1969. They raised one daughter, Kara, who attended schools in the Princeton School District. Kara passed away at the age of eighteen.

Geneva Miller was born in Roanoke, VA on July 17, 1934. She graduated from Hampton University with a degree in nursing and served 7 years of active duty in the US Air Force.

Godfrey was born August 4, 1926 in Bloomington, IL. As a result of Godfrey’s strong desire to fly an aircraft, while living in Bloomington, IL he joined the Army Air Corps and attended aviation training at Tuskegee Army Airfield. While in the Army Air Corps, he flew single engine airplanes. He graduated as a 2nd Lieutenant in Class 45-H-SE on November 20, 1945. He has the proud distinction of Documented Original Tuskegee Airman (DOTA).

Godfrey spent 24 years in the military retiring from the Reserves as a Lieutenant Colonel. Part of his service overseas was spent in Japan and the Philippine Islands where he flew a C-54 four engine airplane and jets.

After his military career, Godfrey moved to Evendale because he got a position as an instructor in the Airplane Engine Group at General Electric (GE) at the Evendale Plant in Evendale, OH and worked there for 17 years.

Godfrey and Geneva married in December of 1966 in Tokyo, Japan and will be celebrating their 52 year anniversary. They enjoy out-of-town relatives and recalling great memories as they peruse their many photo albums.

One of Godfrey’s favorite quotes: “My dad taught us how to spell the word, WORK!”
The Service Department is now accepting applications for seasonal workers. Applications can be found online on the Village web site or picked up at the Service or Administration Departments. All applicants must be at least 18 years of age. If you have questions, please call Paula at 513-563-4338.

FIRE DEPARTMENT

Now is the time to invest in your fire sprinkler system or retrofit your building with lifesaving and property conserving protection.

Tragic fires and significant property loss continue to plague our country. From President Harry Truman's report on fire prevention in 1947 to President Nixon's U.S. National Commission on Fire Prevention and Control which produced America Burning, progress has been made in America. The American Fire Service has fought for years to establish incentives for business and property owners to be able to do the right thing. The Tax Cuts and Jobs Act provide these incentives. This legislation coupled with the latest model building and fire codes from the International Code Council (ICC) and the National Fire Protection Association (NFPA), will lead to a safer America.

In 2015 fire claimed the lives of 3,280 civilians and led to 15,700 civilian injuries. The direct property damage caused by fire was an estimated $14.3 billion. One of the most effective ways to minimize the loss of life and property to fire is with automatic sprinklers. Current building codes require sprinklers in many of the most vulnerable occupancies, such as commercial and residential high-rise.

Unfortunately, there are still thousands of structures that were built and put in service before sprinklers were required. Providing an economic incentive to property owners to do the right thing and retrofit properties with automatic fire sprinklers has the potential to have a significant impact on addressing the nation’s fire problem.

The Tax Cuts and Jobs Act contain several critically important provisions which will provide significant incentives for property owners to install fire sprinklers. These include:

- Small businesses will now be able to fully expense installation of fire sprinklers under section 179 of the tax code up to a cap of $1 million in each year of expense. This will allow for the retrofit and upgrading of numerous occupancies such as nightclubs. In addition, small businesses that may need to borrow money to pay for the retrofit will be able to fully deduct the interest expense on the loan.

- Larger entities can fully expense capital expenses over the next five years. Starting in 2023 the amount that can be expensed will slowly taper down. This part of the provision means that fire chiefs and local policy officials can now ensure business owners have five years for full expensing, which we believe will provide the opportunity for many high-rise and other high-risk occupancy buildings to improve their fire safety features.

Examples:

Nightclub Retrofit 7,500 sq. ft. assembly occupancy
Cost to install fire sprinklers = $6.00/sq. ft.
Total $45,000

Bowling Alley 20,000 square-foot assembly occupancy
Cost to install fire sprinklers = $4.50/sq. ft.
Total $90,000

Assuming these are owned by a small business, under Section 179 they could fully expense the cost. The 179 change is a permanent law and is not subject to the phase out. In the current law systems, they are depreciating over a 39-year period. We encourage business and industry owners to contact their tax professionals and refer them to the changes in Section 179 of the recently passed tax reform legislation (P.L. 115-97).

ADMINISTRATION DEPARTMENT

Keep Evendale green by recycling home electronics, household wastes and shredding of personal paper documents.

Saturday, April 28th  9:00 am–12: pm
Municipal Grounds

A map of the municipal grounds showing the three drop off locations are on the website, our Facebook page and at the Recreation Center. This event is for residents only; proof of residency may be required.
The mission of Gorman Heritage Farm is to educate about agriculture, nutrition, sustainability, and the environment.

**Evendale Residents** get free daily admission to Gorman Heritage Farm. Be sure to check in at the Interpretive Center, and then have fun exploring the trails, checking out the gardens and visiting the friendly farm animals. We have lots of interesting volunteer opportunities if you want to get more involved.

Email: clong@gormanfarm.org.

**Summer Kids Camp Registration** is open and camps are filling up fast! Get your kids outside, learning, and having fun this summer! Register your 4-15 year old today. www.gormanfarm.org/summer-day-camp/

We are happy to welcome another [AmeriCorps NCCC](https://www.ncccampus.org/) group to the Farm in March and April. AmeriCorps NCCC's Mission is to strengthen communities and develop leaders through team-based national and community service. Gorman Heritage Farm is blessed to have an amazing group of young adults completing needed projects on the Farm such as storm water management, trail restoration, pasture renovation, working in our permaculture orchard, market garden, pond restoration and Trosset Wildflower Sanctuary.

The monarch migration is truly one of the world's greatest natural wonders, yet it is threatened by habitat loss in North America. Because 90% of all milkweed/monarch habitats occur within the agricultural landscape, farm practices have the potential to strongly influence monarch populations. As such, we are creating [Monarch Waystations](https://www.monarchwatch.org/waystations/) around the Farm by removing invasive species such as honeysuckle and planting prairie grass, milkweed and other pollinator friendly plants. We are doing our part to make sure that Monarchs are around for many future generations. Learn more at [www.monarchwatch.org/waystations/](https://www.monarchwatch.org/waystations/). Email clong@gormanfarm.org to volunteer to help with this important project.

**Bat Night at the Farm.** Join us April 14th at 7pm to celebrate all things batty for National Bat Appreciation Day! April is the perfect time to learn about our native bats as they start to wake up and come out of hibernation. Bats provide important benefits to humans and are particularly helpful to farmers because they control many agricultural pests. Register at [www.eventbrite.com/e/bat-night-at-gorman-heritage-farm-2018-tickets-42714575445](https://www.eventbrite.com/e/bat-night-at-gorman-heritage-farm-2018-tickets-42714575445).

ADOPTED ORDINANCES & RESOLUTIONS
The following ordinances were adopted by Council at their Regular Council Meeting on February 13, 2018. The complete ordinance and support information are available at the Administration Office. If you would like to view this information or if you have any questions, please contact our Village Clerk, Barb Rohs, at 563.2244.

Ord. #18-08 – Ordinance appointing Catherine Bennett to the Planning Commission for the term ending December 31, 2021 and declaring an emergency. Unanimously Approved

Ord. #18-10 – Ordinance approving a transfer from the Contingency Fund to the Administration Department Cultural Arts account and declaring an emergency. Unanimously Approved

Ord. #18-11 – Ordinance approving a transfer from the Contingency Fund to the Fire Department Capital Improvements account and declaring an emergency. Unanimously Approved

Ord. #18-12 – Ordinance amending Sections 1468.06 and 1468, the Evendale Property Maintenance Code, contained in the codified ordinance of the Village of Evendale, and establishing a date for existing rental properties compliance with the rental permit requirement of Section 1468.06(A) and declaring an emergency. Unanimously Approved

Ord. #18-13 – Ordinance approving an additional appropriation from the Alcohol Law Enforcement Trust Fund to pay the Citizens’ Reward Program a total of $200.00. Unanimously Approved

Ord. #18-14 – Ordinance authorizing the Mayor to execute a contract for sale of approximately 1.4 acres of Village of Evendale property located at 3040 Inwood Drive and 10260 Reading Road, which contract shall conform to the provisions outlined in the letter of intent attached hereto and incorporated by reference herein and declaring an emergency. Unanimously Approved

Ord. #18-16 – Ordinance amending Chapter 1263, Wireless Communications Towers and Systems, of the Evendale Zoning Code and declaring an emergency. Unanimously Approved

An emergency clause is frequently added to an ordinance in order to allow the ordinance or resolution to go into effect immediately upon adoption. Under Evendale's Charter the emergency provision must be separately voted on and approved by no less than 5 members of Council. It must include a reason for why it is necessary.

The Evendale Chamber is now accepting applications for their annual scholarship program. Every year the chamber awards up to four $1,000.00 scholarships to deserving graduating seniors. These scholarships are given in memory of Christopher Dyer. Applications can be downloaded from the chamber’s web site, www.evendalechamber.com. The winners will be selected based on the following requirements:

- Completion of the application;
- A 2.75 or above grade point average;
- Have been accepted to either a two or four year college degree program;
- A 250-word essay stating the applicant’s career interest and their goals;
- Three Recommendation Forms mailed directly from the individuals completing them.

All forms must be received no later than April 4, 2018.

Their address is: Evendale Chamber of Commerce Scholarship Committee, P.O. Box 62839, Evendale, Ohio 45262. Please contact the Chamber at (513) 383-7034 or email EvendaleChamberScholarship@gmail.com with your questions or for more information.

The Evendale Cultural Arts Center will open a unique exhibit, *A Taste of Asia: Ancient Asian Brushwork with a Contemporary Flair* featuring award winning artist Diana Marra on March 2, on view until March 4. Diana loves the elegance and simplicity of the Chinese brushstroke. Each stroke can represent a leaf, a wing, an emotion—so much can be said with so little. A simple elegant piece transitions into all cultures and fits every décor. Be transported to another land during this beautiful exhibit.

In celebration, you are invited to attend the Opening Reception on Friday, March 2 from 6:00–8:00 pm. Enjoy refreshments and live music. The exhibit continues through the weekend on March 3 & 4 from 12–4 pm daily.

We incorporate a variety of dance styles, including jazz, hip hop, latin, ballroom, disco, Bollywood, and plenty more danced to popular music that you probably already know and love. Our classes appeal to former dancers as well as to those who just want to dance but lack any formal training. Every week we add one new song / routine and discard one old one, so that there is enough new material to keep it interesting but there is enough repetition for you to be able to really master some of the routines and have the opportunity to really add your own flavor to it. It takes about 2-3 classes for most people to be able to master most of the steps.

SPIN CLASSES: Limited bikes=1st come, 1st serve.
Spin - An adventurous cycling excursion with inspirational music. Break free of your comfort zone & improve your fitness level!

Cycle-Core - An awesome combination of cardio on the bike & core strength conditioning- not just abs, but the entire total core muscles from thighs to shoulders! Begin with 45 minutes of spinning, followed by 15 minutes of core training

Harcore Shred - Intense core and muscle sculpting class that incorporates functional body weight, dumbbells and balance exercises.

KickBOOTY Camp - Bootcamp fusion of kickboxing, boxing, strength training and cardio for a high intensity calorie blasting workout.

Muscle Combo class - Strengthen and tone all of your muscles with compound exercises while periodically increasing your heart rate with bursts of cardio work.

Pilates - Build muscle tone, stability & balance by focusing on core muscles in the hips, abs & back.

Pound - is a unique and energetic workout that utilizes weighted drumsticks in a choreographed routine set to popular rock and pop music. POUND works your whole body, and can be modified for different fitness levels or age groups.

Power Yoga - This vinyasa style of yoga is appropriate for all fitness levels and includes sun salutations, breath work, balance and deep stretching for a complete body-mind practice.

Yoga - A mix of movements designed to improve flexibility, strengthen, re-energize and relax the body and mind. (If possible, please bring your own yoga mat-small mats available for use at the center)

ZUMBA® is a fusion of Latin and International music/dance themes that create a dynamic, exciting, and based on the principle that a workout should be "FUN AND EASY TO DO." The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body.

Did you know...

Evendale became incorporated in May, 1951 and became a Village on June 5, 1951. At that time there were 357 residents and approximately 75 homes, most located along Glendale-Milford Road. It wasn’t until the mid-50’s, when the Village installed new sewer lines, that our residential areas saw any substantial growth.
