Dear Neighbors and Friends:

Get your tickets now!!!

The Alley Cats are coming!!!

Yes, Yale’s premier all men, a cappella group will be singing at the former Evendale Church, 3270 Glendale-Milford Road. Cincinnati is part of their Winter American Hometown Tour. They have chosen Cincinnati because one of their members, Liam McGrath, grew up in Evendale and went to St. Xavier High School.

The Alley Cats are a nonprofit organization, hosting concerts to fund their travels and to bring their music to audiences abroad. They are one of the most well-traveled collegiate performance groups in the world, touring two months out of the year. They have performed for President Obama, her Majesty Queen Elizabeth II and Queen Silvia of Sweden. They have appeared on Martha Stewart Living, opened for Jay Leno’s comedy show and been praised as “Mm-mm delicious” by Aretha Franklin.

The organization was founded in 1943. Their repertoire includes not only songs that have been in their group for generations, but also contemporary numbers.

They will be having two tour-opening concerts on Friday, January 4th and Saturday, January 5th at 7:30 pm. These concerts will be different from their normal Cats performances in that they have deliberately chosen a smaller venue to allow more connection with the audience. Along with their full-length performance, there will also be an exclusive post-concert reception with the Cats, including snacks and drinks.

Prices are General - $20.00, Premium Seating - $25.00 and Child/Student/Senior - $10.00.

This will be fun and a great opportunity to show off our Village.

Sincerely,

Your Mayor
Summer Kids Camp registration opens for Members on February 1, 2019 and for non-members on February 15, 2019. Preschool Story Hour
Come have fun on the farm and in the garden with your preschooler while practicing early reading skills! Gorman Heritage Farm's Preschool Story Hours offer fun and engaging farm experiences paired with the best in children's literature.

This class is designed for emergent readers ages 2 - 5 years and builds connections between the five senses, caring for farm animals, planting and growing food, farm machines, and music with early literacy components (reading, writing, listening, speaking, viewing, and visualization). This is a fun, age-appropriate series with lots of hands-on activities for a child/caregiver team. Each class begins with a song/story/activity component indoors and continues with a trip outside to the gardens or farmyard.

7 week session on either Tuesdays OR Fridays in January & February from 10-11 am.
Class dates:
Tuesday series: Jan. 15, 22, 29; Feb. 5, 12, 19 & 26.
Friday series: Jan. 18, 25; Feb. 1, 8, 15, 22; & March 1.

Winter Safety Tips

Drive Safely in the Snow
Driving in the winter means changes in the way you drive. Snow, sleet and ice can lead to hazardous road conditions. My Car Does What? is a campaign of the National Safety Council and the University of Iowa to help educate drivers on dozens of new vehicle safety technologies. But remember, you are your car’s best safety feature. Take precautions to ensure you arrive safely at your destination.

Avoid Strain while Shoveling
Shoveling snow is a major winter activity in many parts of the United States. Taking a few precautions can help you prevent unnecessary pain and suffering. National Safety Council recommends the following tips to shovel safely.

- Do not shovel after eating or while smoking
- Take it slow and stretch out before you begin
- Shovel only fresh, powdery snow; it's lighter
- Push the snow rather than lifting it
- If you do lift it, use a small shovel or only partially fill the shovel
- Lift with your legs, not your back
- Do not work to the point of exhaustion

Treat Frostbite Immediately
Use first aid to help someone who may have frostbite. If you suspect frostbite:

- Get indoors immediately
- Seek medical attention
- Remove constrictive clothing and jewelry that could impair circulation
- Place dry, sterile gauze between toes and fingers to absorb moisture and keep them from sticking together
- Elevate the affected area to reduce pain and swelling
- For superficial frostbite, you may also place the affected area in water that is 100 to 105 degrees until the tissue softens

Prevent Carbon Monoxide Poisoning
Carbon monoxide detectors save lives, but less than one-third of American homes have one installed. With December and January at the peak of CO poisonings, be sure to follow tips like these:

- Replace the battery for your home’s CO detector each spring and fall
- Do not heat your home with a gas range or oven
- Never run a car or truck inside an attached garage
Hamilton County is rolling out a new notification system for residents. This is a twofold system, HC Alerts and SMART911.

What Kind of HC Alerts Can You Receive?
- National Weather Service Watches and Warnings for Hamilton County
- Phone Call Alerts Available for: Civil Danger Warnings, Civil Emergency Messages, Evacuation Immediate Alerts, Flood Warnings, Flash Flood Warnings, Shelter in Place Warnings, and Tornado Warnings
- Critical Safety & Emergency Information
- Non-Emergency Messages from your Community

How Can You Get These Alerts?
- Text Messages
- Email
- Voice Call (Available for the following alerts: Flood Warning, Tornado Warning, Evacuation, Civil Danger Warning, Civil Emergency Message, Flash Flood Warning, Shelter in Place Warning)

What is Smart911?
SMART911 allows first responders to have quicker access to important information in case of an emergency. By creating a profile, you provide first responders with key information about members of your household (names, physical descriptions, photos, pet information), as well as medical information. This information is crucial during an emergency.

What Information Should I Include in My Profile?
- People – Names, physical descriptions, and photos will help responders act quickly if a child goes missing, or help identify individuals in an emergency.
- Phones – Add all phone numbers (especially cell phones) so that 9-1-1 will have a better idea where you are when you need help.
- Animals – Include information about your pets and service animals that responders need to be aware of.
- Medical Information – Existing conditions, allergies, disabilities and equipment, medications being taken by all members of your household.
- Address and Location Information – Property details, photographs of your residence, utility shutoff locations, access points to the residence, floor layout and bedroom locations.
- Vehicle Information – Include a description of your vehicle, as well as the license plate number.
- Emergency Contact Information – Include the information of family members, friends, or neighbors in the event of an emergency.
- Communication Preferences – If an individual is deaf or hard of hearing, or English is not the primary language, dispatchers will immediately know that an alternate form of communication is needed.

How Do I Sign Up?
You can log onto www.HCREADY.org and follow the “warning” tab to enter your information or you can also sign up at www.smart911.com.

WATERCOLOR WEDNESDAY

Wednesday, January 2
6:30 pm, $20.00
Lower Studio,
Ages 16 & Over
Join artist Diana Marra the 1st Wednesday of each month for “one-bite-at-a-time” watercolor classes that give you warm-up exercises and step-by-step instructions for a finished painting, all in the same night. Contact Diana Marra at 513-884-2574 to sign up or at designbydiana@aol.com.

BEGINNING WATERCOLORS

Wednesdays
1:00-3:00 pm
January 9—February 27
$120 for 8 week session
A class for those wanting to know the basics of composition and color theory in watercolor. This is an eight week class that focuses on the mechanics of painting, glazing, lifting and bleeding paint. Still life and photo references are used. Contact DJ Berard at djberard@gmail.com to register and for supply list.

BEGINNING ACRYLICS

Wednesdays
4:00—6:00 pm
January 9—February 27
$120 for 8 week session
Classes for those who want to explore the foundations in painting with acrylics. Design, color theory, focal points and basic composition are stressed. Work on wood panels or stretched canvas. Still life, figures, reference photos are all used during this class. You will learn to paint quickly and efficiently, developing focus with color, line detail and contrast as well as learning to stretch and prime your own canvas. This is not the place to learn to paint photo realism, but to learn to paint anything. Contact DJ Berard at djberard@gmail.com to register and for supply list.

PLAYHOUSE IN THE PARK’S “CYRANO”

Saturday, January 19
Evendale Recreation Center**
7:00 pm—Performance Begins
Admission: FREE, Ages 8+
Call 563-2247 to reserve your seat

Cyrano de Bergerac is a master of swordplay and wordplay, but a "magnificent Mount Everest of a nose" blocks his path to true love. Tongue-tied Christian borrows Cyrano’s words to woo beautiful Roxane — but is she falling for Christian’s looks or Cyrano’s soul? This tricky love triangle untangles into a chaotic romance complete with duels, panache, sacrifice — and an enormous schnoz.

VILLAGE OF EVENDALE - JANUARY, 2019
**Yogalab: Pain Free Feet**

**Instructed by: Heather Feather**

**Jan. 22, 2019**

**6:30 p.m.**

**FREE**

Do you struggle with plantar fasciitis? Are you tired of hobbling to the coffee maker in the morning because your feet hurt so badly? Are you fed up with the sharp shooting pain in your heel? If you answered, “YES!” to any of these questions this session is for you.

Heather struggled with plantar fasciitis for years and found a natural and holistic way to find relief. Heather Feather will be teaching the class and is a personal trainer, 500 hour trained yoga instructor, marathon & ultra-marathon runner. She has also completed an Ironman as well as long distance open water swim races. She can’t wait to share her journey of kicking plantar fasciitis to the curb with you and how you can have Pain Free Feet.
