Dear Neighbors and Friends:

A quick reminder that Evendale’s Annual Town Meeting is November 3rd at 5:00pm. Please visit Evendale’s website, www.evendaleohio.org, for more information.

Also, residents are invited to attend the Evendale Chamber of Commerce Annual Awards Dinner at the Recreation Center on December 11th at 5:30pm. The Chamber honors Evendale firefighters, police officers, industry partners and others. The Chamber dinner is $25.00 per person, with proceeds going to St. Rita’s. For reservations, please call Chamber Manager, Nancy Goins at 513-383-7034.

Also, Council approved the Development Service Agreement with Neyer Properties for the AeroHub project. We can now take the next steps moving forward. It gives us a strong partner for both financing and ideas for the project. I believe it will be a good relationship.

Recently, Evendale received a pleasant, surprise check for $116,000 from the Bureau of Workers Compensation. It is almost like a dividend or the return of our own money. The Village, along with all other employers in Ohio, pays a monthly premium to cover workers injured on the job. The Bureau has accumulated a surplus and is now returning it to employers on a prorated basis. It is a nice chunk of change.

Speaking of money, you will notice a new feature in this month’s newsletter; people have asked how much the Village receives in revenues versus how much we spend. The chart provided in this Newsletter shows these figures, as well as a bar chart showing the Village’s financial situation for the last ten years. Basically we are up 8.5% in income at this time over last year. Meanwhile, our expenses are down. This puts us at $3.8 million income over expenses for the year.

As always, please visit our website or stop by our facilities to learn of all the programs, services, events and activities provided by the Village. Have a safe and happy Thanksgiving!

Sincerely,

Your Mayor

The Fire Department will be collecting for Toys for Tots again this year. Please donate a new and unwrapped toy. Collection Boxes will be placed in the lobby of the Fire Department, which is open 24/7, the Recreation Center lobby and near the entrance to the Fitness Center. They will be collecting toys through 12/14/2019. Thank you in advance for your support.

The Village has been and will continue to be financially stable. The Village budget is managed to retain a minimum of six months to one-year operating reserve which many communities are unable to achieve.

VILLAGE TO STEP UP CODE ENFORCEMENT EFFORTS

The Village of Evendale takes great pride in the vast majority of property owners who make every effort to ensure their property is maintained to the highest level. This attention to detail is what sets Evendale apart from other communities in the area. However, though maintaining a quality environment is a top priority for much of our community, there are occasionally property maintenance issues which require special attention.

Beginning in January, our new Building, Planning, & Zoning Manager, Andrew E. Rodney, will be making the rounds throughout the community to pro-actively survey properties with observable zoning and/or property maintenance code violations and engage with the owner or tenant to bring the property back into compliance. He will be specifically targeting issues such as junk vehicles, dead trees, weeds and high grass, parking lot maintenance, and outside storage and debris. The purpose is to identify and remedy code violations before they become detrimental to the surrounding community with an end goal of compliance, not citations or prosecutions.

We encourage all Evendale residents and businesses to continue maintaining and investing in their properties. However, if you notice a property maintenance issue on your street or in your neighborhood, please report it to Mr. Rodney via phone (513-956-2665) or e-mail (andrew.rodney@evendaleohio.org). There is no requirement to provide your name or contact information, so any report can remain anonymous if you wish.

As always, thank you for efforts in keeping Evendale a beautiful community.

JUST A REMINDER...

Greetings homeowners. As a friendly reminder, please place your garbage bins either within the garage, or at the side or rear of your home. The Village’s Property Maintenance Code prohibits the placement of garbage bins in the front yard – including adjacent to the garage door – except within 24 hours prior to and after collection day. Thank you for helping to keep Evendale beautiful!
Commercial fire pit – a portable or fixed fire apparatus that will contain the combustion of a fire. The portable ones usually sit on a stone patio, concrete porch or in the yard.

Chiminea – a clay outdoor fireplace. These have become very popular as they are decorative and functional. They usually come with some sort of metal stand and are usually found on people’s patios, concrete porches or in the yard.

Regardless of which fire you plan on building:
- **ALL fires must** be in some containment vessel.
- All fires must be fueled by clean, seasoned firewood, natural gas or other clean burning fuel.
- The fire is not used for the disposal of waste, including yard waste.
- The fire can be no larger than three (3) feet in diameter and no higher than two (2) feet.
- The fire can be deemed hazardous, even when within these parameters.
- Fire in approved commercial containers shall be permitted, provided that such fires are no less than 50 feet from any structure.
- Distances can be modified by the fire code officials.
- **ALL fires must have a constant adult attendant until the fire is extinguished.**
- At least one form of extinguishment must be readily available at fire location.
  - Minimum 4-A rated extinguisher
  - Dirt or sand
  - Water barrel or water truck
  - Garden hose

Closing your bedroom door could save your life! Visit our Facebook page for a video of our burn demonstration which shows just how quickly a fire can grow and the damage that is saved due to a closed door.

Fire pits, chiminea and bon fires, do they violate the Village of Evendale Fire Code?
First we must look at the definition of each to find if they violate the codes enforced in the village.

**Bon fires / open burning** - A large fire built outdoors, as for signaling or in celebration of an event. **These fires are in violation of village code without written permission from the fire department’s inspection bureau, i.e. a burn permit.**

**2020 POOL SEASON – SWIMSAFE HIRING**

Returning Employees – SwimSafe will be contacting you in December to see if you want to return.  
*Check your e-mails!*

New Employees: Hiring begins in January if staff is still needed at Evendale Pool. You can also apply to work at another pool SwimSafe manages.

To apply, simply go to Swimsafepool.com and navigate to the applications under the Employment tab or click on the Apply Here button on the home screen. If you have any questions, please reach out to brian@swimsafepool.com.
SEE SOMETHING SAY SOMETHING
Whether you are on your way to work, walking in your neighborhood, or out and about in your community, remember: we all play a role in keeping our communities safe. Remember to stay vigilant and say something when you see signs of suspicious activity. Please report suspicious activity to 877-OHS-INTEL (877–647–4683) or 9-1-1 in case of emergency.
