**VILLAGE OF EVENDALE, OHIO
ORDINANCE #16-01**

**ORDINANCE APPROVING TRANSFERRING GENERAL
FUNDS TO VARIOUS OTHER FUNDS, AND DECLARING AN EMERGENCY**

WHEREAS, PUSUANT TO LEGISLATION PROPERLY ADOPTED BY THE COUNCIL of the Village of Evendale, certain expenditures will take place that need to be appropriately funded by transfers from the General Fund to the specific funds from which expenditures will be made,

WHEREAS, THE BUDGET ADOPTED BY THE COUNCIL ON DECEMBER 8, 2015 FOR the 2016 fiscal year provides for said funding transfers; now,

BE IT THEREFORE ORDAINED BY THE COUNCIL OF THE VILLAGE OF EVENDALE, STATE OF OHIO, six members concurring that:

SECTION 1: The sum of \$855,000.00 is transferred from the General Fund to the Street Construction Repair and Maintenance Fund.

SECTION 2: The sum of \$207,750.00 is transferred from the General Fund to the Capital Improvement Fund.

SECTION 3: The sum of \$366,000.00 is transferred from the General Fund to the Gorman Heritage Farm Fund. The amount of \$300,000.00 is designated for operations and the \$65,000.00 is designated for capital improvements and \$1,000.00 is designated for fuel.

SECTION 4: The sum of \$450,000.00 is transferred from the General Fund to the Fire Services Fund. This amount is considered to be an advance to the Fire Services Fund from the General Fund for the purchase of a fire truck with the expectation that the Fire Services Fund will reimburse the General Fund until the \$450,000 is fully refunded which is approximated as four years.

SECTION 5: This ordinance is declared to be an emergency by a concurrence of six members of Council, being necessary to preserve the public peace, order, safety, health, or welfare of the Village of Evendale or to provide for the daily operations of a department or office of the Village of Evendale. It is necessary that this measure be put into effect immediately because the public welfare and daily operations of the Village require that line items within departmental budgets not exceed the appropriation amounts approved by Council. This ordinance shall be effective upon passage.

**ORDINANCE AUTHORIZING THE APPOINTMENT
OF JAMES DOBROSZI AS ARCHITECTURAL REVIEW
STAFF FOR THE PLANNING COMMISSION
OF THE VILLAGE OF EVENDALE
AND AUTHORIZING THE MAYOR TO EXECUTE
A CONTRACT FOR HIS SERVICES
AND DECLARING AN EMERGENCY**

- WHEREAS,** James Dobroszi is serving a term as part of the Village's Architectural Review Board under § 1270.04 of the Zoning Code of the Village of Evendale that was repealed and replaced via Ordinance # 12-64; and
- WHEREAS,** Members of the Architectural Review Board established under that previously repealed section have attended Planning Commission meetings and provided professional input on design and site plan review matters for a number of years; and
- WHEREAS,** Mr. Dobroszi's current three-year term on the repealed Architectural Review Board is set to expire on December 31, 2015; and
- WHEREAS,** The Village desires to continue to have the benefit of architectural and design review services in conjunction with Planning Commission review of proposed developments; and
- WHEREAS,** the current Evendale Zoning Code § 1270.02(c) authorizes the Building Commissioner to make staff available, within budgets available for that purpose, for consulting assistance for the Planning Commission; and
- WHEREAS,** the Village Building Commissioner desires to continue to make architectural and design assistance available to the Planning Commission pursuant to Evendale Zoning Code § 1270.02(c) ; and
- WHEREAS,** the Village Council desires to continue to compensate Mr. Dobsrozi for his assistance to the Planning Commission at his current rate of \$200 per Planning Commission meeting; and
- WHEREAS,** the Council of the Village of Evendale desires to concur in that appointment and to authorize compensation for his architectural review services for the Planning Commission; now

BE IT THEREFORE ORDAINED BY THE COUNCIL OF THE VILLAGE OF EVENDALE, STATE OF OHIO six members concurring that:

SECTION 1: The appointment by the Mayor of James Dobroszi as Architectural Review staff for the Planning Commission of the Village of Evendale for a period beginning on January 1, 2016 and ending on December 31, 2018 is hereby concurred in by the Council of the Village of Evendale.

SECTION 2: James Dobroszi shall be compensated for his service as architectural review staff for the Planning Commission of the Village of Evendale at a rate of \$200 per Planning Commission meeting.

SECTION 3: This ordinance is declared to be an emergency by a concurrence of six members of Council, being necessary to preserve the public peace, order, safety, health or welfare of the Village of Evendale or to provide for the daily operation of a department or office of the Village of Evendale. It is necessary that this measure be put into immediate effect in order to ensure that adequate architectural review services are available to the Planning Commission and to the Village of Evendale on an ongoing basis, such services being critical to the function of the Village and enforcement of the Evendale Zoning Code. This ordinance shall therefore take effect and be in force immediately from and upon passage.

ORDINANCE #16-06**

**ORDINANCE AUTHORIZING MAYOR TO ENTER INTO
CONTRACT WITH PIERCE MANUFACTURING, INC. FOR ONE
PUMPER FIRE APPARATUS AND CHASSIS AND ADDITIONAL
OPTIONAL EQUIPMENT AND DECLARING AN EMERGENCY**

WHEREAS, the Village of Evendale has received bids from the state bid for one Pumper Fire Apparatus and Chassis and additional equipment; and,

WHEREAS, the Fire Chief of the Village of Evendale has recommended to the Mayor and Council the state bid which he believes is the lowest and best bid.

BE IT THEREFORE ORDAINED BY THE COUNCIL OF THE VILLAGE OF EVENDALE, STATE OF OHIO, six members concurring, that:

SECTION 1: The bid of Pierce Manufacturing, Inc. for one Pumper Fire Apparatus and Chassis based on the state bid list in the amount of \$653,967.00 is hereby accepted. The Mayor is authorized to enter into a contract with Pierce Manufacturing Inc. for the Pumper Fire Apparatus and Chassis.

SECTION 2: Council finds that further competitive bidding on the optional equipment would delay the ability to put the new equipment into operation and would be unlikely to generate any economic savings since Pierce Manufacturing, Inc., as a result of its buying power is able to obtain beneficial pricing. Therefore, the following additional appropriation is hereby approved to fund expenses related to additional optional equipment determined to be necessary on the apparatus to meet the need of the fire department to promptly be prepared to respond to the emergency needs of the residents of Evendale in the most timely and economical manner:

Supplier:

Pierce Manufacturing, Inc.	\$58,017.00
----------------------------	-------------

The Mayor is authorized to enter into contract with the Pierce Manufacturing, Inc. for the optional equipment. The contract authorized in Sections 1 and 2 shall be substantially in the form attached hereto.

SECTION 3: This ordinance is declared to be an emergency measure by a concurrence of six members of Council, it being necessary to preserve the public peace, order, safety, health or welfare of the Village of Evendale, or to provide for the daily operation of a department or office of the Village of Evendale. It is necessary that this measure be put into immediate effect because the public safety and daily operation of the Fire Department requires that this Pumper Fire Apparatus and Chassis and additional equipment be purchased as soon as possible. It shall therefore take effect and be in force immediately from and upon passage.

**VILLAGE OF EVENDALE, OHIO
ORDINANCE #16-07**

**ORDINANCE AUTHORIZING MAYOR TO ENTER INTO
CONTRACT WITH CINCINNATI BELL FOR LEASING A
COMPREHENSIVE PHONE SYSTEM AND DECLARING AN
EMERGENCY**

WHEREAS, the Village of Evendale’s current analogue phone system, purchased in 1987, no longer meets current or planned internal and external communication needs as its functions, features and hardware have grown or soon will be obsolete.

WHEREAS, The Village IT Manager has investigated multiple phone system repair and replacement options as well as ownership and leasing options and has concluded, with concurrence from Department Heads, that the Cincinnati Bell Emerge digital system provides the functionality and accessibility necessary for effective internal communications amongst staff and external communications with residents, business owners, etc.

WHEREAS, Leasing the Cincinnati Bell Emerge digital system, although slightly more expensive in cost per month than purchasing the equivalent system, will enable immediate access to system upgrades and repairs via remote access to the internet with near-immediate, no-cost hardware replacement as needed.

BE IT THEREFORE ORDAINED BY THE COUNCIL OF THE VILLAGE OF EVENDALE, STATE OF OHIO, six members concurring, that:

SECTION 1: The Mayor is authorized to enter into a lease agreement with Cincinnati Bell for a period no to exceed 5 years for the Emerge phone system at a monthly lease rate contract of approximately \$2,955.93, subject to minor fluctuations depending on contract terms and conditions.

SECTION 2: Council finds that current analog phone system is outdated resulting in the Village’s inability to take advantage of the features and improved communications derived from a digital, cloud-based phone system.
Supplier:

Cincinnati Bell Phone System monthly lease of \$2,955.93

The Mayor is authorized to enter into lease contract with Cincinnati Bell for the digital Emerge phone system. The contract authorized in Sections 1 and 2 shall be substantially in the form attached hereto.

SECTION 3: This ordinance is declared to be an emergency measure by a concurrence of six members of Council, it being necessary to preserve the public peace, order, safety, health or welfare of the Village of Evendale, or to provide for the daily operation of a department or office of the Village of Evendale. It is necessary that this measure be put into immediate effect because the existing phone system is outdated with obsolete functionality. It shall therefore take effect and be in force immediately from and upon passage.
