

VILLAGE OF EVENDALE

DECEMBER 2022

Dear Neighbors and Friends,

We are changing our fire department from a 53-hour work week to a 48-hour work week. Overall fire coverage for the Village will remain consistent. In the past few years, attracting and retaining public employees, particularly in police and fire service, has been difficult. The work hour reduction, coupled with compensation increases for 2023, will hopefully keep Evendale competitive with other local jurisdictions who have made, or are making, similar adjustments to attract and retain high quality employees. Our job openings have mostly been attributed to an uptick in recent retirements. We will see how competitive we are as we need to replace two more firefighters next year.

With regards to compensation, the Village was able to provide service, recreation and administration full-time employees a 4% raise plus a one-time, lump sum inflation adjustment for 2023. Police and Fire also received comparable compensation increases. As you can tell from our fiscal officer's report below, Village finances are solid and tax income receipts have bounced back fairly well to exceed pre-COVID levels. All Village officials and staff appreciate and value Evendale as a great place to work and proudly do so in service to our residents, businesses, visitors, etc.

The Village is looking at new cameras to replace or otherwise supplement our current traffic camera system. The new cameras have significantly better resolution, at all hours of the day, helping to improve traffic and criminal investigations. Several neighboring communities have already installed, or are also exploring, this new camera technology which can be shared more effectively amongst law enforcement agencies.

Thanks to a grant fund, we now have two electric vehicle charging stations on the municipal grounds. They are located by the police garage and they are free.

Unfortunately, the Village did not receive bids from contractors for our planned pickleball courts this year. We will rebid the project and be ready next year for sure.

Earlier this year, a regional billboard company applied for a massive sign on I-75. Their proposed sign exceeded our code requirements; consequently, their application was denied. The company then appealed the denial to our Board of Zoning Appeals, and to Council, both of which turned it down. They then filed a lawsuit in the Hamilton County Court of Common Pleas, but shortly thereafter withdrew the filing. Our code allows a 200 sq. ft. sign and the request was for one that was approximately three or four times that size. I appreciate all the work by staff, and by our elected and appointed officials, who helped insure that the integrity of our code was maintained in this case.

Our electric aggregation rate with Constellation expires at the end of this year. Unfortunately, similar to our recent challenges with gas aggregation, our consultant has not yet found a competitive supplier that can beat Duke's rate. Therefore, for residents in our electric aggregation program, the Village will default back to Duke after December, until such time a new supplier can be found. Aggregation participants will receive further information in the mail from Constellation. Please call our administration team with any questions at 513-563-2244.

Another year has gone by and it has been a pretty good one for the Village. Indeed, we are looking forward to 2023. I want to wish everyone a prosperous holiday season and a great 2023.

Sincerely,

Your Mayor

POLICE DEPARTMENT

Be Prepared for Winter Driving

Prepare Your Car for Winter

In addition to annual maintenance, here are some tips to winterize your car:

- Test your battery; battery power drops as the temperature drops
- Make sure the cooling system is in good working order
- If using all-season tires, check the tread on your tires and replace if less than 2/32 of an inch
- Check the tire pressure; tire pressure drops as the temperature drops
- Check your wiper blades and replace if needed
- Add wiper fluid rated for -30 degrees

Before You Start Out

- Clean your car's external cameras and side view mirrors so you'll be able to see what's around you
- Remove dirt, ice and snow from sensors to allow the assistive-driving features like automatic emergency braking to work
- In frigid weather, you may want to warm up the car before you drive it
- To prevent [carbon monoxide poisoning](#), never leave a vehicle running in your garage – even with the garage door up
- If the forecast looks iffy, wait out the storm if possible; if you must travel, share your travel plans and route with someone before you leave

How to Avoid a Crash

- Avoid using cruise control in wintry conditions
- Steer in the direction of a skid, so when your wheels regain traction, you don't have to overcorrect to stay in your lane
- Accelerate and decelerate slowly
- Increase following distance to 8 to 10 seconds
- If possible, don't stop when going uphill
- If visibility is severely limited due to a whiteout, pull off the road to a safe place and do not drive until conditions improve. Avoid pulling off onto the shoulder unless it is an absolute emergency. Limited visibility means other vehicles can't see yours on the shoulder.

SERVICE DEPARTMENT

The Service Department would like you to know that snow removal will take place, just like in past years, with the main roads requiring attention first. The neighborhood streets will be taken care of as soon as possible. Along with clearing snow, please remember to move vehicles off the roads to allow the plow crews to do the best possible job. Your help with this process will be appreciated.

Rumpke requests residents to place leaf bags and waste containers in the same spot.

The department's branch chipping service will not take place when the streets need snow removal. Safe roads are our first priority.

GORMAN HERITAGE FARM

Holiday Gifts from the Farm!

The Gorman Heritage Farm Shop has a range of items for all your holiday gift giving needs. From stocking stuffers like coffee, local honey, jams, caramels, goats-milk soaps, and crafts, to farm-themed puzzles and games, along with fine art paintings of the Farm, GHF Memberships, and subscriptions to our Cut Flower Garden for 2023. Stop in between 9am-5pm Monday through Friday or 9am-3pm on Saturdays. Pick up a chicken or a dozen eggs while you are here!

Giving Season

Gorman Heritage Farm education programs nourish children's love of the outdoors and foster a deep connection with where their food comes from. Consider making a tax-deductible donation this giving season to ensure these nourishing experiences can continue. We so appreciate your support, and the support of the Village of Evendale! Give online here: <https://www.gormanfarm.org/donate/>

Lebanon Carriage Parade

The Gorman Heritage Farm Harness Club will be participating in the Lebanon Carriage Parade again this year on Saturday, December 3rd. There are two times to attend this unique and festive event: 1pm and 7pm that day. Our mules, Tom and John, pull a custom-made, wheelchair-accessible wagon built by Ohio-based Thomas Welding and will be driven by members of our volunteer Harness Club. Come cheer for our mule team and the Farm while getting in the holiday spirit and enjoying festive warm drinks in historic downtown Lebanon! It is a great event for people of all ages. You can learn more about the parade and see a picture of our mules in this article from 2021 in the national publication, The Chronicle of the Horse:

Soccer Referees are needed in Evendale...if you love the game, please consider.

Refereeing a Cincy Central SAY game is a fun way to make some extra money and introduce kids to the game of soccer. Once you are trained, you decide which games you would like to referee so you are in control. Cincy Central SAY fully supports our referees and will assist you from training through to your games. We are always in need of referees, so please consider joining us! Cincy Central SAY holds a Spring Season in late February and in May/June for the Fall Season. Duties of a referee include:

- Greet teams while entering the field
- Assist players and coaches in understanding the playing rules
- Manage games professionally and consistently
- Provide an exceptional league experience for players and spectators
- Communicate any necessary needs to Referee Assignor such as field issues, coach/spectator behavior, or foul play
- Perform job in a friendly, courteous manner at all times

In order to become a Cincy Central SAY referee, please follow these three easy steps:

1. Review the training information available at [https://](https://www.saysoccer.org/Default.aspx?tabid=971619)

2. Attend a Cincy Central SAY Referee Orientation Session that will be held by SAY EAST. www.sayeast.org Most likely March 4th, 2023. Directions and class info can be found on website.
3. Take either the Entry or Intermediate test available at <https://www.saysoccer.org/Default.aspx?tabid=733804>. The Entry Test is for new referees with no experience. The Intermediate test is for referees that have worked in Cincy Central SAY's Passers Division or for other leagues. When completing the test form, use "Cincy Central SAY" as the Area/Program and the organization you represent as the District/Club. If you are not sure what to fill in the District/Club field, simply use "N/A". When you have completed the test, you should receive an email with your results (please check your Junk folder if it does not show up). Please forward the email with your results to Kristen Maiden, Cincy Central SAY, at kristen.maiden@evendaleohio.org

We look forward to having you join Cincy Central SAY as a referee. If you have any class questions, please email (kristen.maiden@evendaleohio.org), call Kristen Maiden at 513-563-2247. For specific referee questions you may call or email Pat Kerrigan 513.641.4449. or email pkerrigan@zoomtown.com
