

VILLAGE OF EVENDALE

JANUARY 2022

Dear Neighbors and Friends,

We recently made a pitch for \$500,000 from the State of Ohio Capital Grants for an elevator for the Cultural Arts Building. Myself with James Jeffers, our Village Engineer and Susan Gordy, the Cultural Arts Director, presented the proposal to the Cincinnati Business Committee along with State legislators. The total cost of the project is estimated to be over one million dollars. We already have \$100,000 from the State from a past capital grant; plus, \$105,000 from a grant and a private donation. The rest, if we get our grant request amount, would have to come out of our Village reserves.

Mr. Jeffers and I traveled to Columbus last month to testify about ephemeral streams. This was before an Ohio Senate Committee concerning H.B. 175. An ephemeral stream has flowing water only during, and for a short duration after, precipitation events. An ephemeral stream is on the AeroHub property and you would barely get your shoes wet during heavy rains. Nonetheless, ephemeral streams are considered a waterway of the United States, regulated by the Ohio EPA. The proposed Bill would take control of the stream away from The Ohio EPA and return it to local control. The Bill's outcome will not be known until later this year.

If you have not been by the enclosed shelter house, you might want to take a look. It has been power washed and painted in the Evendale colors. It looks 100% better!

This time of the year, residents may be receiving calls from people suggesting they have a deal for them on their electric or gas rate. When receiving any type of unsolicited call for sales or services, please exercise caution! The Village has an aggregation program for both utilities with a supplier called Constellation New Energy. All homes are enrolled in the program, at no cost, but residents can choose to opt-out at any time. Please remember that Duke Energy will always be the default supplier, billing agent and transmitter of utilities. Constellation most often has consistently lower rates than Duke and many other suppliers. If you have opted out, I suggest you consider re-enrolling. For more information about the aggregation program, please see the Administration page on the Village website, www.evendaleohio.org

And finally, two of our people who provided services with the Village have left their positions. One is Andrew Rodney, our Building, Planning and Zoning Manager. He has gone to Miamisburg which is five minutes from his home in Centerville. He gave us great service. Evendale is currently advertising this open position. The other is Emily Martin, a long-time contractor for the Village, who did a meticulous job planting our beautiful flower beds. She has taken another position. Don't worry, we will still have flowers this coming Spring!

Sincerely,

Your Mayor

FIRE DEPARTMENT

Winter Fire Safety

We are settling into the coldest months of the year and with that the Evendale Fire Department would like to provide you with a few tips to help keep you and your family safe this winter. Heating your home is a necessity, but it must be done safely. With home heating sources such as furnaces, fire places, and space heaters come additional safety concerns like carbon monoxide and electrical fires.

Carbon monoxide is a colorless, odorless, harmful gas that is produced by incomplete combustion. This gas can accumulate in a home when a gas fed furnace or water heater is not functioning properly, or when a chimney is not properly cleaned. The EFD would like to remind you to have your furnaces serviced regularly and your fireplace chimneys professionally cleaned to avoid the buildup of carbon monoxide. The EFD also recommends installing a carbon monoxide detector outside of living spaces such as bed rooms at a minimum and testing them once a month. If you are in need of a carbon monoxide or smoke detector, please either stop by the fire station or call us and we can bring them to you. Carbon Monoxide detectors are ten dollars each, while smoke detectors are free of charge.

The winter months carry an exceptionally high electrical fire risk for home owners. Such risk is heightened due

to the use of electrical heating appliances such as space heaters. The National Fire Protection Association states that there are approximately 45,000 home electrical fires each year with the peak months of electrical fire related casualties between November and March. The NFPA also states that one in every seven home fires involves heating equipment such as space heaters. The EFD encourages you to use these appliances with caution to avoid such emergencies.

When using a space heater, or any heating device, remember to keep any flammable objects at least three feet away and never leave space heaters unattended (such as during sleeping hours). Only electrical space heaters should be used indoors, all gas burning space heaters should be used in a well ventilated area outdoors. Electrical heating appliances like space heaters require an elevated amount of electricity to operate, and therefore create the risk of overloading the wiring that they are plugged into if not operated properly. When using a space heater, make sure that it is the only appliance plugged into and running on that outlet. Never use extension cords with space heaters. Extension cords often are not properly rated for the electrical demand of these appliances and can be subject to failure and fire when they are used together.

Keep these tips in mind over the coming months as we look ahead to warmer days. As always, please call 513-563-2248 or stop by the fire station with any questions or concerns.

SERVICE DEPARTMENT

The Service Department would like you to know that snow removal will take place, just like in past years, with the main roads requiring attention first. The neighborhood streets will be taken care of as soon as possible. Along with clearing snow, please remember to move vehicles off the roads to allow the plow crews to do the best possible job. Your help with this process will be appreciated.

Rumpke requests residents to place leaf bags and waste containers in the same spot.

The department's branch chipping service will not take place when the streets need snow removal. Safe roads are our first priority.

DUKE ENERGY - HIGHER WINTER BILLS

With colder weather right around the corner, this can bring higher energy bills. This is especially true this year for consumers who use natural gas to heat their homes, because gas prices are rising. Natural gas prices have more than doubled since January 2021 and are forecasted to remain elevated through the winter heating season (November 2021 to March 2022), but are expected to moderate during the spring of 2022.

To help prepare Duke Energy customers for higher energy prices this year, they have created a comprehensive Winter Bill Fact Sheet. It explains why energy bills are increasing, includes helpful energy-saving tips and lists a wide variety of programs that are available to assist customers that are in need.

As indicated in the Winter Bill Fact Sheet, customers are encouraged to visit Duke's Winter Bills landing page at www.duke-energy.com/winterbills for updated information on how to manage their winter bills.

www.duke-energy.com/winterbills

GORMAN HERITAGE FARM

Happy New Year! We look forward to seeing you on the Farm in 2022!

Executive Director Announcement

The Board of Directors of the Gorman Heritage Farm Foundation is pleased to announce the appointment of Nicole Gunderman as the Farm's new Executive Director.

Gorman Heritage Farm has changed dramatically in the last seven years. We have exhaustively overhauled our operations, our footprint, and our programs. With the purchase of the Soil & Stars building, in partnership with non-profit iSPACE, we now have the ability to expand our mission of educating children and adults about the importance of Agriculture, Sustainability, Nutrition, and the Environment.

Nicole is the ideal candidate to guide the Farm during this exciting time. She has a Masters in Farm-based Education from Miami University along with experience as the Foundation's Deputy Director, leading our educational programming, teaching at Miami University, and non-profit fundraising. Nicole is poised to expertly guide Gorman's growth in the coming years.

We are excited about where Nicole will lead us. Please join us in congratulating Nicole on her accomplishment and come visit her at the Farm!

Andy Mueller
President, Gorman Heritage Farm Foundation

Gorman Heritage Farm Shop has fresh eggs, potatoes, and carefully selected local food, artisan and craft products. Call 513-563-6663 for availability.

Our Vegetable CSA offers fresh, nutritious and grown right here in your community, talk about "local food!" Email info@gormanfarm.org to be added to the 2022 waitlist.

Consider becoming a Member or renewing your Membership in 2022!

Although Evendale residents do receive free daily admission, we ask you to take that extra step in support of your neighborhood Farm. Members receive discounts on Public Programs and Classes, Summer Day Camp, free admission to the Sunflower Festival, and know that their support is helping us fulfill our important education mission. Become a Member today! <https://www.gormanfarm.org/memberships/>

Upcoming Public Programs

Join us for one of our upcoming programs in January and February. We are offering fun, educational and engaging activities for all ages. Winter is still a beautiful time on the Farm!

BECOME A REFEREE

Refereeing a Cincy Central SAY game is a fun way to make some extra money and introduce kids to the game of soccer. Once you are trained, you decide which games you would like to referee so you are in control. Cincy Central SAY fully supports our referees and will assist you from training through to your games. We are always in need of referees so please consider joining us! Cincy Central SAY holds a Spring Season in late February and May/June for the Fall Season. Duties of a referee include:

- Greet teams while entering the field
- Assist players and coaches in understanding the playing rules
- Manage games professionally and consistently
- Provide an exceptional league experience for players and spectators
- Communicate any necessary needs to Referee Assignor such as field issues, coach/spectator behavior, or foul play
- Perform job in a friendly, courteous manner at all times
- In order to become a Cincy Central SAY referee, please follow these three easy steps:

1. Review the training information available at <https://www.saysoccer.org/Default.aspx?tabid=971619>.
2. Attend a Cincy Central SAY Referee Orientation Session on Saturday, Feb. 19 or Saturday, Feb. 26. Both sessions 9:00 -11:30 a.m. & Noon - 1:30 p.m. at Evendale Recreation Department. You only need to attend one DAY, but both sessions on that day.

Returning referees need to attend from 12:30 - 1:30 p.m. on either day. Class will be instructed by Pat Kerrigan

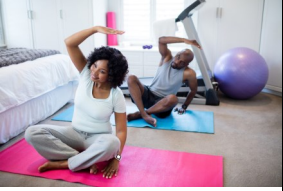

3. Take either the Entry or Intermediate test available at <https://www.saysoccer.org/Default.aspx?tabid=733804>. The Entry Test is for new referees with no experience. The intermediate test is for referees that have worked in Cincy Central SAY's Passers Division or for other leagues. When completing the test form, use "Cincy Central SAY" as the Area/Program and the organization you represent as the District/Club. If you are not sure what to fill in the District/Club field, simply use "N/A". When you have completed the test, you should receive an email with your results (please check your Junk folder if it does not show up). Please forward the email with your results to Kristen Maiden, Cincy Central SAY, at kristen.maiden@evendaleohio.org

We look forward to having you join Cincy Central SAY as a referee. If you have any class questions, please email kristen.maiden@evendaleohio.org), call Kristen Maiden at 513-563-2247. For specific referee questions you may call or email Pat Kerrigan 513.641.4449. or email pkerrigan@zoomtown.com

Walk Your Way To A Healthy Heart in February (American Heart Month)

Feb. 1- Feb. 28

All Ages are welcome!

The Recreation Department is challenging all residents to get 10,000 steps each day in February!

Those that achieve this heart, healthy goal should email kristen.maiden@evendaleohio.org by March 2, 2022.

All names will be entered for a chance to win a \$25 gift card to the location of your choice. Two gift cards will be awarded. Get walking Evendale!!! If you use our fitness center, you will receive an extra entry in the drawing.

PROGRAMS OFFERED BY FITMEES

*Please note that these programs are not offered through the Recreation Dept.
Please Ask a FitMees Team member about signing up or email michael@fitmees.com.*

2022 Attendance Challenge

We're starting up the Attendance Challenge again for 2022. The goal: to be the most consistent gym-goer for the entire year! Winner will receive InBody sessions for a year (12 total sessions).

Winning is simple – just scan in every time you come to the gym. When you scan in three days a week you will receive a point. The person with the most points accumulated at the end of the year will win the challenge. Just make sure you sign up by January 10 at the fitness center desk.

Commit to be Fit

Starting January 31, each trainer will lead a small group in a Biggest Loser type competition! The program will end March 11 and is designed to help you stay committed after the New Year's momentum fades.

Participating trainers will lead their group in one workout a week and provide weekly tasks to help their team accomplish their 8-week goal. Three InBody's will be included to track progress with check-ins at the beginning, end of 4 weeks and finale.

The team with the biggest overall percent change in weight loss will win a prize. The cost is \$160 – that's just \$20 per workout plus the \$60 value of the InBody sessions!

Sign up at the fitness center desk or email michael@fitmees.com.

Fitness Reset Program

Get a full-body weekly workout plan to help you meet those New Year's Resolutions! Grab the printed workout from the fitness center desk and ask a trainer if you need help or modifications.

This program is designed to help restore balance, burn extra calories, and regain energy! You can expect to do weight training, cardio and stretching.

The first week is FREE and \$15 for the remaining three weeks. Sign up with a Fitmees trainer today.

Tai Chi

Learn this ancient Chinese martial art with step-by-step instructions. The benefits of tai chi include:

Stress reduction

- * Improved balance
- * Improved motor control
- * Improved blood flow
- * Enhanced Brain function
- * Calmness & Tranquility

Sessions are held Monday, Wednesdays, and Fridays, 5:15-6 p.m.

Alan, your instructor, is certified to teach tai chi and is a certified personal trainer through ACE. The cost is \$50 per month for unlimited sessions.
