

VILLAGE OF EVENDALE

MAY 2022

Dear Neighbors and Friends,

I am sure that many of you have seen the fight going on between The Ohio General Assembly and The Ohio Supreme Court over the state’s redistricting map. The Court has threatened to hold the leaders of the General Assembly in contempt and send them to jail. Well, that brings back memories of the school funding issue while I was The President of the Ohio Senate. The same thing was threatened to me at the time. I/we could not come up with a funding plan for our schools. The Court suggested I could be jailed for contempt. So, the press went to my chief fiscal officer and asked if I would really go to jail. No, he answered, Senator Finan will send staff. By the way, that issue has still not been solved for Ohio but it is just ignored.

We will have three new police officers soon. Sgt. Abrams is retiring July 1st and both the Chief and the Assistant Chief are retiring in June. Lt. Tim Holloway will be our new Police Chief come June. Lt. Sean McKinney will become our new Assistant Chief. Both applied for the Chief’s position and it was very difficult to decide between the two men. They both are extremely well qualified and dedicated to the Evendale Police Department, as well as service to the community.

The Grand Opening of iSpace in the Village is set for May 4th from 6:00-8:00pm. iSpace is the co-owner with Gorman Heritage Farm of the former UAW building on Reading Road by the entrance to the Farm. iSpace has been in business for 21 years and was previously housed on the Scarlet Oaks campus. They are all about educating children (and some adults) about space travel. They impact 30,000 children in 500 schools annually. Come on down and see what they are all about. I think they complement our farm education programs. As a matter of fact, they have named the building “Soil and Stars.”

Gas aggregation contracts are coming up. Unfortunately, our consultant (Energy Alliance) has not been able to secure a new, long-term contract below Duke Energy’s rate. Our current contract rate of .396 cents per ccf expires at the end of May. Duke Energy then becomes our default supplier, currently at .8142 cents per ccf. That is a big jump. However, Energy Alliance hopes to secure a new contract for Evendale this summer; so, please keep this in mind should you be solicited from gas suppliers. For an up-to-date list of all gas suppliers and rates in Ohio, please visit www.energychoice.ohio.gov . If you have any questions, please contact David Elmer, our Director of Administrative Services, for more information, at 513-956-2666.

Sincerely,

Your Mayor

FIRE DEPARTMENT

Fire Department Community Connection

We at the Evendale Fire Department value our connection to the community we serve. We try to better our community presence through social media, public education programs, and social events in the Village.

A great way for the community to get more personal insight into its emergency services is to follow our Evendale Emergency Services Facebook page. This page is run by both our Fire and Police Departments and has a lot to offer to the community. On this page you can find day-to-day happenings at each department, interesting personnel profiles, new hires, promotions and retirements, along with news and important safety messages for the Village.

At the Fire Department, we really appreciate any opportunity to provide the community with education, training, and advice when it comes to fire safety and first aid. We would like to remind our citizens of the fantastic public education programs available to you. The fire department's public education program offers training in CPR/AED use, as well as basic first aid, fire extinguisher training, smoke and carbon monoxide detectors, home fire safety education, and child car seat installation and inspection. If you are interested in these programs or would like more fire safety and first aid information, please stop by the fire house or call us at (513) 563-2248.

The Evendale Fire Department is pleased to announce that the Evendale Chamber of Commerce Annual Fire House Chili Lunch will be back at its full capacity on June the 15th. It has been several years since we have been able to offer in house dining and we have missed this chance to interact with the people of the community. As in years past, you can come by the fire house between 11:00 and 1:00 to sit down and enjoy lunch with us, or place a to-go order available for pick-up.

VILLAGE OF EVENDALE - MAY, 2022

GORMAN HERITAGE FARM

You're Invited! Open House May 15th, 2-4pm Soil & Stars Education Center

You have likely noticed the exterior transformation of the former UAW Hall as it becomes our new Soil & Stars Education Center. Now is your chance to see the inside! Please join us for an Open House on Sunday, May 15th from 2-4pm. You can learn

about the exciting new space, meet our partner organization, iSPACE, witness the unveiling of a logo celebrating our growth designed by students at Mount Saint Joseph University, and hear from Farm Leadership and Mayor Finan! Remarks will take place at 3pm, but come early to take a tour and find out how you can get involved. We can't wait for you to see it!

Harness Club at Reds Opening Day Parade

On April 12th, the GHF Harness Club and mule team, Tom and John, participated in the Cincinnati Reds Opening Day Parade. Everyone was thrilled to be together for this annual celebration once again. This was actually the first Opening Day parade for our new mule team because they came to the Farm in 2019, just before the pandemic. Tom and John stayed calm and steady through the very boisterous crowds. We are so proud of our Harness Club Volunteers and Mules as they represent the Farm so well in the community. Play ball!

Fresh Chicken!

Our first batch of farm-fresh chicken will be available in the Farm Shop on Friday, May 6th. You can pre-order online, or stop in during our operating hours. After May 7th, the chicken will be frozen, but it thaws beautifully and is truly delicious, fresh or frozen. Pre-order for the year at this link for pickups in June, July, September, and October. <https://www.gormanfarm.org/meats/>

Upcoming Public Programs:

Farm Encounters Walk - May 7, 10:00-11:30

Discover the hidden gems of Gorman Heritage Farm in this interactive farm tour for all ages! Explore the gardens, join the animals in their pasture, and walk through our historic buildings in this guided farm walk.

Fire Cider Crafting Class - May 15, 2:00 - 3:30

Hosts Green Feather Homestead and Apothecary will lead this informative class all about Fire Cider. We'll harvest herbs and veggies from the garden, mix them into a fire cider under our pavilion, and try a tasty salad with a fire cider dressing! Each participant will get a 4 ounce jar of our fire cider to let finish at home and enjoy.

This masterfully plotted show has so many twists and turns. On the surface, it's a "love triangle" tale. State's witness, Evan Jorris, under a government protection program after testifying against the mob, has a wife, Francine, who along with her lover, lawyer Larry Craig contrives to do away with her husband, confident that everyone will assume that the mob did the deed. This deceptively simple setup, however, is not at all what it seems.

On April 12, 2022 the Mayor and Council presented a resolution to the family of Ron Cutter. Baseball field #3 has officially been renamed Cutter Field.

Ron Cutter helped provided youth and adults the best maintained fields in the area for 30 years as Field Maintenance working for the Evendale Recreation Department. Ron also trained dozens of building attendants on how to drag and line the fields, during his service to the Village of Evendale. Ron Cutter loved baseball. Every practice and game had a beautiful field on which to play due to Ron's overwhelming love and compassion for the sport.

Ron Cutter was a prominent figure in the Evendale Recreation Department and the Reading Community. Ron graduated from Wilmington College and played professional minor league baseball with the Dodgers. He began his 31 years in education as a math teacher and baseball coach with the Reading School district. Later, he worked as a guidance counselor then was assistant principal prior to his retirement. The Evendale Recreation Department was lucky to have Ron join their staff upon his retirement. Ron's passion for sports was recognized with his induction into the Reading Schools Hall of Fame and the Cincinnati Softball Hall of Fame.

Ron Cutter, shares this honor with his lovely wife Linda of 54 years; sons, Ronald Cutter, Timothy & Christine Cutter, Scott & Megan Cutter and his late son Steve; grandchildren, Zachary, Andrew, Mitchell, Nicholas, Miles, and Boden; and his special dog, Rascal.

There will be an official Field Dedication on Friday, May 20 at 5:15 p.m.
