

VILLAGE OF EVENDALE

OCTOBER 2022

Dear Neighbors and Friends,

We have decided to build four, outdoor pickleball courts on the Village campus. I have had lots of requests for these courts. For the last several years, because our finances were down, the courts were postponed; however, now that Village finances have improved, we are in a better position to add pickleball to our recreation department services. The Courts should be completed by early-summer 2023, weather and material availability permitting. Use of the Courts are included in Recreation Department full membership. Stay tuned for more information from the Rec. Dept. on lessons, leagues, etc.

We put up a flag system on Cooper Road to make it safer to cross that road for people walking to Gorman Heritage Farm. We put up twelve flags in cans at the corner of Otterbein and Cooper Roads. A short time later, five flags were GONE!! I am totally baffled as to who would take those flags. If you or someone you know may have unintentionally kept a flag after use, please return it at your earliest convenience.

The Annual Village Town Meeting will be November 6th this year. I like to have the Meeting right before Election Day. While no elected official of the Village is up for reelection this year, there are number or candidates and issues to vote for on November 8th. Please visit the Hamilton County Board of Elections website for more information.

Our own resident, Michelle Gottschlich, volunteer extraordinaire, has secured a \$10,000 grant from the Duke Energy Foundation to help us remove invasive species in the Griffin Nature Preserve. We have been working for years on this project. Invasive species, like honeysuckle, are very hard to kill. Thank you, Michelle!

Sue Hare, Executive Director of ISPACE, has been honored by the Cincinnati Enquirer as one of the 2022 Women of the Year. ISPACE recently moved to Evendale, partnering with the Gorman Heritage Farm, to renovate a former union hall on Reading Rd. into offices and classrooms. She was instrumental in securing funds to keep ISPACE operational during shutdowns due to the Covid pandemic. Congratulations Sue!

Halloween Trick-or-Treat in the Village will be October 31st from 6:00pm to 8:00pm. Get your costumes ready!!! Happy Halloween.

Sincerely,

Your Mayor

FIRE DEPARTMENT

Fire Prevention Month

October is recognized every year by the National Fire Protection Association (NFPA) as National Fire Prevention Month. Your Evendale Fire Department will be visiting with our local schools to pass along fire safety education throughout October and we would like to take the opportunity to remind you about a few fire safety best practices.

The theme for this year's Fire Prevention Month is "Fire won't wait. Plan your escape." This topic highlights the importance of being prepared and having a household emergency escape plan. The NFPA provides a comprehensive check list to aid your household to prepare for, recognize, and react to a fire emergency. It goes as follows:

- Do you have working smoke alarms in your home?
- Is there a smoke alarm in every sleeping room and outside each sleeping area?
- Is there a smoke alarm on each level of the home, including the basement?
- Do you test your smoke alarms at least once a month?
- Do you know the sound of your smoke alarms?
- Do you know what to do when the smoke alarms sound?
- How old are your smoke alarms? (If they're more than 10 years old, you need new ones.)
- Does your family have a home fire escape plan?
- Do you know two ways out of each room in your home?
- Are the exits in your home clear?
- Has your family picked a meeting place outside the home in case of a fire?
- Does everyone at home know how to call 9-1-1 once they are outside?
- Do you and everyone in your home practice your fire escape plan at least twice a year?

Along with these preparedness guidelines, we would like to emphasize "Close before you doze." This refers to making sure each occupied bedroom door is closed and remains closed throughout the night. A closed bedroom door helps safeguard sleeping individuals from the heat and toxic gasses released during a house fire. Closing bedroom doors at night can save the lives of you and your loved ones.

Please visit our Evendale Emergency Services social media pages, contact us via phone, or feel free to visit us at the firehouse for questions about these fire safety topics.
