

VILLAGE OF EVENDALE

SEPTEMBER 2022

Dear Neighbors and Friends,

We will begin with a request from the Service Department. As you know, Evendale offers curb pick up for most everything including the kitchen sink. This service occurs on Mondays; but people occasionally put stuff out on other days. Unless the Service Department sees the item, it can sit for several days. If you need to do that, please give them a call and advise. The Service Department thanks you.

Unfortunately, the Village has lost a lot of trees due to storms or old age. The Service Department recently removed several of these trees from our rights-of-way. You may have noticed the stumps. They will be replaced when trees become available. Right now, trees are hard to get due to supply chain problems. We also want the right type of replacement tree and we are doing research on that now.

Due to our improved financial condition, we are going to do about \$500,000 of deferred projects. However, the big need is for a storage building for our bigger equipment. You may have seen some of our equipment parked by the tennis courts. This equipment was stored at the former Aberdeen Trucking Co. building, now owned by the Village, on Glendale-Milford Road. But with the demolition of these buildings for site redevelopment as part of AeroHub, we now need new storage space. Temporary space has been made available to the Village at the former Boyd Bros. Trucking Co.; but, we do not know for how long it will be available. Stay tuned.

Kinetic Vision has occupied their new headquarters in AeroHub. The state-of-art building is drawing positive attention from a number of people. Kinetic Vision is a great asset for the Village.

The saga of the Cincinnati Police Gun Range continues. Hamilton County has offered to expand their existing Range in Colerain Township to accommodate Cincinnati and other local and state/federal law enforcement agencies, at a cost of around \$20 million. So far, the County has pledged \$5 million; and the City of Cincinnati has pledged \$2 million. Additionally, the County has secured an additional \$4 million in federal funds for the project, a \$9 million gap. We have asked the State legislature, the Governor, the Attorney General, etc. for funds. So far, there's been no progress in securing State funds this year. It looks like it will be 2023 before the project receives further state-level consideration.

We also had an excellent report from our State Auditor. Kudos to Cynthia Carraci, our chief fiscal officer, and to the entire administrative team for their solid fiscal stewardship. It is not easy to get a clean audit from the State.

Finally, Evendale was able to secure a new contract for gas supply for our Aggregation Program. AEP Energy has offered us a 24-month fixed rate of \$0.839 per ccf starting October 2022. Additional Program information will be posted on our Village website, www.evendaleohio.org. AEP will also mail information to all Evendale homes currently participating in the Program. Residents can enter or exit (aka "Opt-out") the voluntary program at any time with no fees or penalties.

Sincerely,

Your Mayor

PROGRAMS OFFERED BY FITMEES

Please note that these programs are not offered through the Recreation Dept.

Please Ask a FitMees Team member about signing up or email michael@fitmees.com.

Triathlon Challenge

Let the competition begin! In September, FitMees is running a gym version of a Triathlon! The goal is to complete three exercises that equate to completing a full Triathlon:

- Run/walk 26.2 miles
- Bike/cycle 112 miles
- Row (instead of swim) for a total of 1.5 hours.

The competition does have a max limit of 30 minutes of rowing, 37.33 miles of biking and 8.73 miles of running per WEEK. The fastest someone can finish the race is 15 days if they max out the first two weeks and then complete the remaining miles/minutes on Monday of the third week.

For the competitors, there will be a tracking sheet at the fitness desk to log your miles each day. FitMees staff will total the number of logged miles and minutes at the end of each week.

The winner will receive two tickets to the Cincinnati Bengals vs Carolina Panthers game. If multiple participants complete the challenge on the same day, the winner will be randomly selected.

It all begins Monday, September 5 and runs until Sunday, October 2. Sign up at the fitness center desk.

30-day Fitness Challenge

Did you know that FitMees offers online personal training using an app called Trainerize? You'll never go to the gym without a plan because every workout is customized to you and available on your phone.

In September, FitMees is offering FREE access to Trainerize with a daily exercise uploaded for you PLUS a video on what the exercise is and how to perform it.

When you complete the day's challenge, all participants will all see you got that check mark so you can cheer each other on.

To sign up, scan the QR code and follow the steps..

FREE InBody Analysis September 3

Get your FREE InBody Analysis on September 3 from 10 a.m. to 2 p.m.

An InBody is just like stepping on a scale except this machine can tell you how much skeletal muscle mass, water and bodyfat you have. It can also read how much muscle is in your arms, legs and core and determine if that number meets your body's needs. With these numbers, a FitMees trainer can measure your fitness progress, determine a customized fitness plan, and guide you on lifestyle recommendations.

Minimize time and worrying about deadlines by putting money on your account here at the Recreation Dept.

*Tomorrow is the first of the month and another fitness session is beginning!
Let me call the Recreation Center and register because I have money on my account there!*

It is simple to achieve. The next time you stop in the Recreation Center, put some extra money on your account here and when this happens, just call the Center, we can get you registered because you have money on your account. Quiet times at the front desk are typically Noon-2:00pm, or in the evenings 4:00-7:00pm. And, as we do not store your credit card number here at Recreation, this minimizes the number of times you have to repeat your card number to us.

Save time, and worry less...keep some money on your account at the recreation center.
