

# VILLAGE OF EVENDALE

MAY 2023

Dear Neighbors and Friends,

Spring is here! There are lots of exciting things happening in the Village of Evendale:

Evendale has provided \$20,000 toward the cost of a strategic plan for the bike trail along the Millcreek and Sharon Creek. Land in this area has been conveyed to Creek Park of Hamilton County. Adjacent communities have also been asked to help pay for the Plan. However, our resident Michelle Gottschlich has written a WeThrive grant of \$1500 to help defray the costs. (WeThrive is a county-wide initiative to make healthy living easier.) Thank you, Michelle!

The bids are in for more street repaving. Neyra Paving was the winning bidder and will begin very soon. Check with the Service Department to see if your street is included. Overall, the cost is about \$574,000 this year.

The Village will contribute \$75,000 toward the purchase of a new pickup truck and tractor for the Gorman Heritage Farm. The existing equipment has high mileage and hours. Farm staff cannot sufficiently maintain operations without a tractor and pickup truck.

Speaking of vehicles, last month was not our best for police cars; one cruiser was totaled by a drunk driver who crashed into it while the officer was investigating an auto accident. Another cruiser was damaged while responding to a call to assist in a motor vehicle accident. Fortunately, no one was injured in either incident. We were able to quickly find a new vehicle at a local dealership and the second vehicle is repairable. The Police Department set aside funds to replace two cruisers in 2023.

With the onset of Spring, the Building, Planning and Zoning Office would like to remind property owners to keep grass cut and yards clear of any noxious weeds, litter or debris. Every year, complaints roll in about unkempt lawns. Should such issues arise, staff will notify owners and work to gain voluntary compliance with property maintenance codes. Failure to comply in a timely manner may result in additional action(s) from the Village. We trust everyone understands the importance of protecting public health and safety via administration of our minimum code standards.

We are going to have new AED units installed throughout the Village complex. The Fire Department was able to secure a \$7,500 grant from WeThrive to pay for them. Thank you, Lt. Stark.

Every five years, our Village Charter suggests we review it. I am going to appoint a Charter Review Committee of citizens. Anyone interested, please call the office.

As a side note, during my last two years of my term as President of The Ohio Senate, Larry Householder was the Speaker of The House. To say that these were challenging years would be an understatement. Mr. Householder was recently convicted by a federal jury on racketeering conspiracy charges in connection with a \$60 million bribery scheme to bailout a nuclear energy company. For further details, please see news reports online.

Wishing everyone a safe and happy Spring and Summer!

Your Mayor

## GORMAN HERITAGE FARM

### GHF Harness Club at Opening Day Parade

It was a sunny day on March 30th, when the GHF Harness Club participated once again in the Cincinnati Reds Opening Day Parade. In partnership with the Reds Community Fund and Miracle Fields, our mule team Tom and John pulled Reds guests in their wheelchair-accessible wagon. The crowd was extra big this year, but the team stayed calm and steady through it all. We are so pleased the Harness Club is able to represent Gorman Heritage Farm in the community!

### Farm Fresh Chicken!

Our first batch of farm-fresh chicken will be available in the Shop on Friday, May 12th. You can pre-order online, or stop in during our operating hours. After May 13th the chicken will be frozen, but it thaws beautifully and is truly delicious, fresh or frozen. All the fun and energy of a summer camp with powerful and transformative hands-on activities to engage your child's heart and mind. This year, for the first time, Magnified Giving is hosting Camp Give at Bell Tower Arts Pavilion in Evendale! We are excited to move camp to this amazing community space where campers will enjoy comfortable indoor areas and a large space for outdoor play. At Camp Give, participants will learn about the meaning of philanthropy and explore social causes with appropriate

and eye-opening activities. During field trips to local nonprofits, they'll hear directly from our partners to learn how they're addressing needs and helping people, and then campers are empowered to jump in and complete a service activity! A portion of each participants' camp fee is pooled for a grant, and at the end of the camp week, campers work together to select a partner nonprofit to receive their grant.
