

VILLAGE OF EVENDALE

FEBRUARY 2024

Dear Neighbors and Friends,

The finances of the State of Ohio are doing very well. Also, Ohio’s unemployment was down to 4.2% as of December 2023. With continued local business growth and expansion, Evendale’s finances are doing well too. We finished 2023 with \$17.8 million in earnings tax, our highest annual amount ever collected. Evendale also earned over \$1 million on our investments. Additionally, the bond rating for the Village is AA, the highest it has been in 42 years. These are all signs of more positive things to come in 2024 and beyond.

Evendale has two big capital projects scheduled 2024: 1) An elevator for the Cultural Arts Center; and, 2) a storage facility for our Service Department. Both projects are expensive and will take time to complete. However, both projects are needed and will help the Village better serve our residents, businesses and visitors.

Joe Wathen, a long-time Village resident, passed away in December. Joe served on Council for 12 years and also served as Chair of the Planning and Zoning Commission. He was of great service to our community.

Jeff Albrinck, our recently retired Council member, has been nominated to be on the Board of the Millcreek Valley Conservancy District. His nomination now goes to Judge Jody Luebbers for the final appointment. He will be an excellent addition to that three-person Board. The District controls more property in Evendale and Sharonville than any other community along the Millcreek. As I have said before, the Millcreek requires constant attention and floodplain maintenance. Neglecting the Creek could cost millions in private property damage and environmental problems throughout Hamilton and Butler Counties; therefore, the Commission needs strong leadership to make important decisions about protecting the Creek and the properties that surround it.

Our Service Department is prepared for any more wintery weather that may affect our streets. We have ample salt supply on hand if needed.

Sincerely,

Your Mayor

SERVICE DEPARTMENT

The Service Department would like you to know that snow removal will take place, just like in past years, with the main roads requiring attention first. The neighborhood streets will be taken care of as soon as possible. Along with clearing snow, please remember to move vehicles off the roads to allow the plow crews to do the best possible job. Your help with this process will be appreciated. Rumpke requests residents to place leaf bags and waste containers in the same spot. The department's branch chipping service will not take place when the streets need snow removal. Safe roads are our first priority.

The Service Department is now accepting applications for Seasonal workers. Applications can be found online on the Village web site or picked up at the Service or Administration Departments. All applicants must be at least 18 years of age. Starting wage is \$15.00/hour. If you have questions, please call Paula at 513-563-4338.

COACH RATING SYSTEM

The NAYS Coach Ratings tool can be a powerful tool in helping to improve the sports experience for all of your participants, parents and coaches. Coach Ratings give valuable instant feedback to your volunteer coaches during the season, which is when they need it. In addition, parents are given the opportunity to provide that feedback in a non-confrontational and anonymous way which can ease some of the tension that can build up in a typical youth sports setting.

You can click on the QR Code to download a PDF that will enable your parents to go right to the Rate Your Coach website.
