## About Phi Lambda Pi

Evendale's teen organization, Phi Lambda Pi, is open to residents in the 8th - 12th grades. The group meets every Wednesday Night for Open House and they hold various trips throughout the year. They also volunteer for at least one service project each month. The group is self-funded and fundraisers such as the Conquer the Hill Race help to offset the cost of activities for the teens.

## About the 10K Race & 4.5 Mile Walk

This road race through the Village of Evendale community is a one-of-a-kind opportunity to reach the runners, walkers and residents in our community. After 36 years, we have created a race for all ages. We expect to attract 400 + runners and walkers to the event. The race is USATF Certified. More race information on [www.evendaleohio.org](http://www.evendaleohio.org).
